What is Christianity?

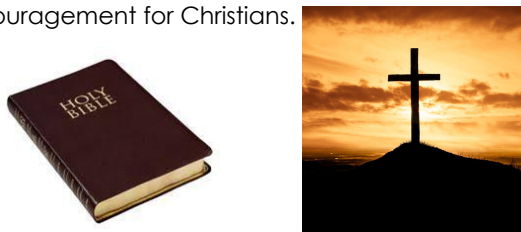

- Christians believe in one God, who created the world and all that is in it.
- Christians believe in the teachings of Jesus Christ, a middle-eastern preacher and healer who lived around 2,000 years ago.
- Christians believe that Jesus Christ was sent down to earth to save people, by taking their punishment and dying on the cross.
- Christians believe that people should be compassionate to one another, and show respect to God, themselves and one another.
- Christians believe that praying to God helps them to say sorry for the things that they have done wrong and thank them for the blessings given to them.

The Bible

The Bible is made up of different 'books', but all show Christians something about God.

- The Old Testament is the first part of the Bible, covering the time before the birth of Jesus.
- The New Testament is the second part of the Bible containing the stories about Jesus and his teaching (in the Gospels)

The Bible is a very old book with a long history, and is a source of guidance, comfort and encouragement for Christians.

The Ten Commandments

In the Bible, God reveals to Moses ten commandments, which

Christians should aim to live their lives by:

- You shall have no other Gods but me.
- You shall not make for yourself any idol.
- You shall not misuse the name of the Lord your God.
- You shall remember and keep the Sabbath day holy.
- Respect your father and mother.
- You must not commit murder.
- You must not commit adultery.
- You must not steal.
- You must not give false evidence against your neighbour.
- You must not be envious of your neighbour's goods.

Where do Christians worship?

- Christians can pray in any place, but the most common location is in a building called a church.
- Churches can be very different – old, new, plain or highly decorated. Often, the floor plans of churches are shaped in a cross.
- Church services often include hymns, prayers, and readings from the Bible.
