I know this word

I can use it in a sentence

# How have things changed over time?

Past

Present

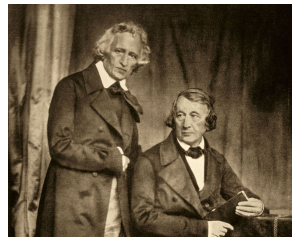

Schools and classrooms were different in the past. Just like how stories were told.

Stories were told to children long before they were written.

How have inventions changed how we tell stories?

Every continent has different traditional tales.

The Brothers Grimm collected lots of stories from all over Germany and created a book!

Walt Disney changed the way everyone can know stories!

What is your favourite fairytale?

### Useful Resources

Fairytale books

#### Storytelling Timeline

Stories are told through pictures

Stories are told by oral storytelling traditions

Stories are written down

Stories are created for watching
