Key Questions that we will be exploring:

1. What might it mean to have a new start? What about a new start with God?
2. Why is it important for Christians to 'act justly' as part of God's Kingdom?
3. Why should Christians 'love mercy'?
4. How can Christians 'walk humbly'?
5. What makes the Christian life distinctive – locally and/or globally?
6. What difference should living as part of God's Kingdom make to the world? What do I think about making a difference?

Most Christians believe that:

- They have a new, eternal life in Jesus, who calls them to live distinctively
- They have a part to play in the work of God who calls them to act justly, love mercy and walk humbly in the world
- The Holy Spirit enables them in this way of living
- God is at work in the world through his Kingdom (i.e. them!)
- Many Christians undertake a diverse range of actions in the world in response to new life
- These activities may take place at a personal level, a local level, a national level or a global level

If you are a citizen of God's kingdom, this also means that the king is responsible for your provision. Because you are surrendered to his lordship, that means you gain access to his resources. Since you belong to him, he will use his resources to take care of you.

Belonging to God's kingdom changes your life in many ways. It gives you a new identity, purpose, and hope. You grow spiritually, becoming more loving and kind. You're part of a caring community of believers. You also get guidance and strength from God. It helps you focus on eternal life, not just on things like money or success. God's kingdom teaches you to live by love, humility, and faith.
