## Headteacher's Message

It's been another busy week, with Book Week taking centre stage. I would like to extend a huge thank you to Miss Maddin for organising a special and inspiring week of learning. Throughout the week, children and staff have taken part in a variety of reading-related activities, including spontaneous 'Drop Everything and Read' sessions, a whole-school story-sharing event, door decorating and a range of creative activities focused on our favourite books. We also welcomed the author and storyteller Margaret Bateson-Hill, who truly inspired the children during an engaging assembly and workshops.

On Wednesday, the school became one big magical fairy-tale full of characters from wide-ranging popular authors. I am always amazed at the lengths people go to for this popular national event; the effort made by all to dress up for World Book Day was truly fantastic.

Thank you to everyone who attended our Bedtime Stories event on Tuesday evening.

It is always a novelty for the children to wear their pyjamas at school and many mentioned that their personal highlight was the hot chocolate—complete with marshmallows! 125 children attended with their families making it once again our busiest event of the year. We just love to see our families sharing a love of reading.

This was a big week for our Year 6 children as they received their secondary school allocations this week. While this is an emotional time for some, we know our children are ready for this next chapter and each has it within them to be successful, wherever they go. We will continue to support them in their academic, organisational and emotional preparation for the transition ahead.

Thinking about our wider community, we would like to mark the conclusion of the Lunar New Year festivities, following the 15-day celebration! We hope those celebrating have enjoyed a wonderful start to the Year of the Horse. We also send our very best wishes to all our families who have celebrated the Hindu festival of Holi this week and those who have begun observing the Islamic holy month of Ramadan. We wish you all a peaceful and blessed time.

In light of recent events in the Middle East, our thoughts are very much with any of our families who have loved ones living in or visiting those parts of the world. We understand that children can often feel worried or upset by what they see and hear on the news. If you feel your child needs support in processing these events, Newsround has provided a very helpful guide for parents and children which can be found here: <https://www.bbc.co.uk/newsround/13865002>

## General Information

### Important Letter from our Chair of Directors

Dear Parents,

We are writing to announce that Mrs. Mary Ellen McCarthy, Executive Principal and Founder of the Lumen Learning Trust, will be retiring, effective December 31st 2026, after 40 years of public service.

Mrs. McCarthy has served our Lumen school communities with distinction since she founded the Trust in 2013. We thank her for the dedication and leadership that has guided and strengthened our schools and her commitment to inclusive education and academic excellence.

While we will miss Mrs. McCarthy's exceptional leadership, we are thrilled for her as she embarks on a well-deserved retirement.

The Board of Directors has already begun the recruitment process for a new Executive Principal to ensure a seamless transition and continuity of leadership. News on the successful outcome of the process will be shared with families by your school leaders towards the end of the current academic year.

Jo Roberts, Chair of Directors

### Stay, Play & Learn Sessions for EYFS & KS1

We invite you to come and join in some continuous provision and early writing learning with your child in their classroom. This will be followed by a brief information session to help you support your child at home with their writing and fine motor skills. To book please follow the relevant link for your child's class and the date that you would like to attend. **Could you please book in using your child's name.**

### Red Nose Day – Friday 20th March

We are excited to be celebrating Red Nose Day on Friday 20th March to help raise money for Comic Relief, supporting vulnerable children and families across the UK and around the world.

To mark the occasion, children are invited to come to school with fun and creative hairstyles inspired by Comic Relief, along with red accessories (for example: red socks, hairbands, bows, ties or other red items!).

We are asking for a £1 voluntary donation, which will act as entry into our Fun Hair Competition. There will be some exciting prizes for 1st, 2nd and 3rd place!

More information will follow soon, but for now... save the date and start planning your fantastic hair ideas for Friday 20th March! We can't wait to see all the fantastic creativity on display!

Reading

Bedtime Stories

Thank you to all the families who joined us for our Bedtime Stories evening on Tuesday. It was a wonderfully well-attended event and the school was filled with a warm, cosy atmosphere as children arrived in their pyjamas, ready to enjoy a magical evening of storytelling.

Pupils and their families snuggled up in our reading dens to listen to stories read by Walton Oak staff and to share books together. The hot chocolate station was a particular highlight, adding to the relaxed and comforting feel of the evening.

Events like this are a lovely way to celebrate the joy of reading and help foster a lifelong love of books. It was fantastic to see so many families coming

together to share stories and create special reading memories. Thank you for helping to make the evening such a success.

### World Book Week

Alongside our Bedtime Stories evening, Walton Oak also enjoyed a fantastic World Book Week filled with exciting activities that celebrated books, stories and the joy of reading.

We began the week with a special launch assembly, followed by our 'Drop Everything and Read' moments, where the whole school paused to enjoy a book together. It was wonderful to see children fully immersed in stories, whether reading independently or sharing with friends.

Throughout the week, pupils took part in a variety of activities including a Reading Swap, where classes visited one another to share their favourite books, and a Teacher Story Swap, giving children the opportunity to hear stories read by different members of staff across the school.

They also thoroughly enjoyed participating in the door decoration competition, which saw classroom doors transformed into vibrant displays inspired by a wide range of much-loved books and characters. The creativity and effort shown by the children and staff were fantastic and it was wonderful to see the school filled with colourful celebrations of reading.

Wednesday's Book Character Dress-Up Day was a highlight of the week, with the school filled with a fantastic range of imaginative costumes. Children also enjoyed a variety of creative book-themed activities, including storytelling and art.

We ended the week with a celebratory assembly and a special visit from children's author Margaret Bateson-Hill, who led engaging workshops that inspired pupils with her stories and experiences as a writer.

It was a wonderful week that truly celebrated the power of reading. Thank you to all our families for your continued support in encouraging a love of books at home.

Talking about feelings with toys

Children will often play out different emotions using their toys and teddies before they know how to use words to express them. This activity can provide your child with the important words that they will need to verbalise their feelings.

Watch the video clip to show you some examples of how you can play with your child and their toys to discuss feelings.

## In the news this week

Brynteg School in Wales has said that from September, skirts will no longer be part of the school uniform. Instead, all children will wear trousers or shorts. The school says this will make the uniform more practical and fairer for everyone, but some parents and pupils have different opinions about the change. This announcement has added to discussions about school rules, fairness, and whether uniforms should be the same for all children.

**Things to talk about at home ...**

- Talk to someone older at home about your and their experiences of school uniform. Have they changed over time?
- Share your thoughts on the changes Brynteg School is making. Do you feel they are positive changes?
- If you could create your own uniform, what would it look like?

Please note any interesting thoughts or comments

## Extra-Curricular Events

### Football

The girls' football team put in a brilliant performance and won their match **5–1**. From the first whistle they played with confidence, passing the ball quickly and supporting each other all over the pitch. Their hard work paid off as they scored several well-taken goals, exciting the supporters on the side lines. Even after conceding once, the team stayed focused and finished the game strongly, celebrating a well-deserved victory together.

### Netball

The Year 5 and Year 6 netball teams have done a fantastic job this season, finishing their league after winning most of their games. They showed great teamwork, determination, and skill in every match, supporting each other and playing with confidence. Their hard work and positive attitude helped them achieve excellent results, and they should all be very proud of their performances. Well done to all the children who took part in this!

## Enrichment Activities

### Aim High Maths Day

Some year 5 and 6 pupils went to Cardinal Newman School for an Aim High Math Day.

I really loved the 'Aim Higher' event because the problems were actually quite complex, and it was satisfying to find the solutions. Learning the 'Four Fours' challenge showed me how to use different operations to reach the same total. It was definitely a challenge to test out so many different equations to find the right one, but I managed it by discussing new ideas with my teammates. *Immy, Year 5*

Maths Day was such an exciting and fast-paced experience. I loved getting a head start on secondary school work and even some A-level concepts! I've picked up some brilliant tips and mathematical shortcuts that I'll definitely be using in my SATs. Overall, it was a really useful day that showed me how much fun high-level maths can be. *Effie, Year 6*

The 'Aim Higher' session was great because it pushed me to do things, I didn't think I was capable of yet. My favourite part was investigating the scale of the universe, from the tiny to the massive. It taught me that I can handle more complicated concepts without getting stuck. I overcame the tricky parts by staying focused and persevering until I found the answer. *Joshua, Year 5*

### Feet First Training

Year 3 took part in Feet First training last week, where they learned important skills for crossing the road safely. The children really enjoyed the experience and showed great enthusiasm while practising how to stop, look, listen and think before crossing. The instructors were very impressed and praised the children for their excellent knowledge and understanding of how to stay safe near roads.

## Diversity and Equality

### Belonging and Representation

At the heart of everything we do is a commitment to belonging. We believe that for a child to truly thrive, they must feel that their identity is not only recognised but celebrated. For us, equality and diversity are lived experiences that shape our school every day.

Representation is a powerful way to build confidence. We ensure our children see themselves reflected everywhere - from the diverse authors in our libraries and book corners to the inclusive images on our displays and screens. By learning about inspirational people from all backgrounds, cultures, and abilities, our children see that success belongs to everyone.

Our school life acts as both a "mirror" for our own identities and a "window" into the lives of others. We achieve this through:

- Diverse Perspectives: Visiting various places of worship and learning about different faiths and cultures.
- Neurodiversity: Celebrating how different brains work so every learner feels understood.
- Celebrating Us Week: A special time where we celebrate our unique identities and our strength as a community.
- Support Groups: Dedicated spaces for our resettled families and young carers to ensure their voices are heard and honoured.

Ultimately, we want every child to feel they belong:

"Belonging means I don't have to change who I am to fit in. It's knowing that my teacher and my friends like the parts of me that are different."

We know that our families are our greatest resource, and we want to celebrate the heritage that makes our school so vibrant. We invite you to share your own cultural heritage with us so we can celebrate it in our assemblies and feature it in our newsletters.

Whether it is a traditional story, a significant celebration, or a family custom, please do get in touch. By sharing these traditions, you help us create a community where every child's background is valued and celebrated by us all.

#### Job opportunities across Lumen Learning Trust and its schools

**Darley Dene Primary School is recruiting:** We are seeking to appoint a highly enthusiastic, proactive, flexible and reliable individual for the role of Teaching Assistant. This is an opportunity for individuals who are patient and emotionally resilient to join our friendly, inclusive and inspirational team of teaching and support staff.

If you actively enjoy working with children in a stimulating and creative environment, have experience ideally within the education sector and are professional in your approach with a desire to make a lasting personal contribution to our children's lives, we want to hear from you. For more information please **click on the link on page 1.**

**Darley Dene Primary School is recruiting:** We are looking to appoint a class Teaching Assistant on a fixed term contract who has a passion for creating lifelong learners, are committed to inclusion and equality and have high expectations of themselves and every child. We are looking for somebody who is not afraid to make mud pies and, if asked to be a zoo keeper, can jump into role and immerse themselves in the children's play. We are looking to

appoint somebody who can be flexible and support learning in a creative way. For further information please **click on the link on page 1.**

**Riverbridge Primary School is recruiting:** We are seeking to appoint a highly motivated, proactive, skilled and reliable individual to take on the role of Office Assistant in our busy school office.

This is an exciting opportunity for anyone wishing to be part of a dedicated, fast paced team where you can make a real difference to our children. Riverbridge Primary School is a three-form entry primary school, with a diverse catchment and a strong team spirit. For further information **click on the link on page 1.**

**Lumen Learning Trust is recruiting:** An exciting opportunity has arisen for a part-time Finance Manager to work as a member of the finance team. The post will be based at Saxon Primary School in Shepperton and is a permanent, part-time role - 15 hrs per week to be worked over 3 days/ 38 weeks per year. Under the direction of the Head of Finance, the Finance Manager will provide accurate financial reporting, compliance with financial regulations and strategic financial support.

If you have experience of financial management, ideally within the education sector, but more crucially, are professional in your approach, possess strong financial skills and are tenacious in your desire to make a lasting personal contribution to our children's lives, we want to hear from you. For further information please **click in the link on page 1.**

### Bake, Buy, Enjoy: Year 3 & 4's turn at the cake sale!

Year 3 & 4 are hosting the next after-school cake sale - join us on **Friday 20 March 2026** for something sweet and a great cause.

**Can you lend a hand?** These sales can't happen without your help! We need 4-5 volunteers to help run the stall. If you can spare some time, please message your Class Rep or email [fowo@lumenlearningtrust.co.uk](mailto:fowo@lumenlearningtrust.co.uk) today.

Come get involved:

- **Payment:** We accept both cash and card, but exact change is always a hero for our volunteers!
- **Donations:** We would love your NUT-FREE bakes (home-made or store-bought). Please drop them off at the school office on Friday morning.

**Pro Tip:** If sending treats in a container, please label it clearly with your name so we can get it back to you safely.

### FOWO Uniform Rail – There for Emergency Purchases

With Book Week ending, we have returned the FOWO rail back to being stocked with Walton Oak uniforms. Did your child come home yesterday with sleeves that are suddenly too short? Don't panic! The FOWO Uniform Rail is fully stocked and ready to save the day.

We have everything from jumpers and cardigans to full PE kits and everything in between—all at the bargain price of just £1 per item.

- **How to pay:** Cash or bank transfer (payment details are conveniently located at Reception).
- **How to donate:** If you're clearing out drawers, we gratefully accept clean, bagged items (new logo only, please). Just drop them under the rail and we'll handle the rest
