**After-school Enrichment Clubs – Summer Term 2025-26**

Dear Parents and Carers,

We are excited to let you know about the after-school enrichment clubs that we have on offer for the Summer Term. Below, you will see a table that details the clubs on offer as well as the necessary information such as which day of the week the club is held on, who will be leading the club, which age group the club is for etc. All clubs (with the exception of Cookery) will run from 3.20-4.20pm and will cost £40 per term (£4 per session, 10 sessions in total). **Please note that Cookery Club will run from 3.20-4.45pm on Mondays – this is to allow ample time for the cooking of various yummy treats.** Our Spring Term clubs will begin during the week commencing 20<sup>th</sup> April 2026.

**Please note that children eligible for Pupil Premium funding are entitled to one free club per term.**

In the first instance, we would like you to share your preferences for the club(s) you would like your child to attend using this Google Form link (due by Wednesday 18<sup>th</sup> March at 12pm).

Please note, club allocation is on a **first come, first served basis** to ensure it is fair to all families. If you have put three choices on your list, we will ensure you have at least one choice. However, if you only put one choice down as a preference, we may not be able to guarantee a space on this club.

Details of our clubs for next term are outlined on the following page. We have also included the terms and conditions for our after-school enrichment clubs. Please note, once your child has committed to attend a club, they will be expected to attend every week. Refunds or credits to other clubs will not be given if your child decides they do not want to go any more.

**Please ensure the correct clubs are chosen for the correct year group that your child(ren) is currently in.**

Yours sincerely,

Mrs. H. Bourne

### **After-school Enrichment Clubs – Terms & Conditions**

Our terms & conditions for enrichment clubs are to ensure spaces are filled with those who are committed to attending the 10 sessions across the term. Unfortunately, we have previously had a number of children drop out of a club they initially signed up to, either prior to the club starting or after attending one or more sessions. This has often resulted in us being unable to fill some spaces. To avoid this happening and ensure that club spaces are filled with those who are most keen to attend, the following systems and processes will need to be followed:

- To secure your child's place in a club they have been offered a space in, payment will need to be made prior to the club's start date.
- We cannot secure the place without the full payment. If payment is not made by the specified date, we will assume you no longer require the place and it will be immediately withdrawn and offered to the next child who applied.
- If your child receives pupil premium, your child's space will be automatically secured in the club they have been allocated a space in. If they have been allocated a space in more than one club, payment for the additional club(s) will need to be made in full prior to the clubs start date (as per the information above).
- If you wish to pay with CCV (Child Care Vouchers) please order these in advance to avoid delay. If you have not received your childcare vouchers in time for the cut-off date, then payment will need to be made using another method. Please speak to the school office to check that the provider you use is registered with us.
- Once a child has committed to attend a club, they will be expected to attend every week. Refunds or credits to other clubs will not be given if your child decides they do not want to go any more.
- To avoid unnecessary calls home, if your child is not able to attend a session or is collected early, please inform the office as soon as possible on the day, or prior to the club commencing.
- On occasion, staff may have to cancel a club at short notice. We will always endeavour to reschedule the session at a later date either during school time or after school on the same day. However, if the club cannot be rescheduled, we will refund the session.
- Please make a note of the start and finish dates and the times of the club your child will be attending as automatic reminders will not be sent.
- If any spaces remain after the cut-off date, these will be advertised to all families and will be offered on a first come first served basis.

Please note, if your child has an activity club credit from last term, this will be used as a discount for future clubs.

Here are some additional important things to note about our clubs:

- We will be allocating places to ensure that as many children as possible can participate and will try and take into account the preferences. Please look carefully at the year groups that each club is available to.
- We expect the same excellent standards of behaviour from the children during the clubs as we do at school. This means that any child who does not meet these high expectations will be spoken to, as will the parents, and this may lead to the child being asked to leave the club.
- Please do not make any payments until you have been told which club(s) your child has a place in.
- **Children should not bring a snack or drink to any of the clubs.** They will use the water bottles that they bring to school to drink from.
- It is not possible to watch the clubs as it is distracting for the children. Please do not arrive to collect the children more than five minutes before the end of the club.
