Headteacher's Message

My favourite part of writing this newsletter each week is getting to look back at all the brilliant things our children have been up to. It keeps me present to why we are here and what our school brings to everyone within the Walton Oak Community. Our year 3 children enjoyed their sleepover at school last Friday. The staff were very impressed with how well they engaged in all the activities and how calmly they settled down for a night of sleep (and some quiet chatter). Thank you to Miss Gobie, Mrs. Brace, Miss Courtenay, Miss Camamile, Mrs. Nash, Miss Bessant, Mrs. Kakar and Mrs. Mills for spending their evening supporting this special opportunity. On Wednesday and Thursday of this week, the corridors were filled with rhythm and cultural sounds of the African drums, being played in the special music workshop - it had us all tapping away! We have seen a real shift in the quality of musical opportunities over the past two years and our offer continues to grow.

On the sporting front, some of our girls had a fantastic time training with the Chelsea Women's coaches at the Xcel leisure centre on Tuesday, as part of the Inspire Her programme. We are also sending "good luck" wishes to our cross-country runners who are heading out to represent us tomorrow at Notre Dame School.

We've also had some great news: we've been allocated 40 places for this year's Mini London Marathon on Saturday, 25th April. I know it's disappointing for those who didn't get a spot this time around, but I'd still love to see as many of you there as possible to cheer the team on. It's always such a fun day out - travelling into the city together, walking across Westminster Bridge and taking in the sights of St James's Park. There's nothing quite like the atmosphere at the finish line with Buckingham Palace in the background!

Today has brought a sea of red accessories and some truly "interesting" hairstyles as Walton Oak took part in this year's Red Nose Day! It's been lovely to see the children (and staff!) having such a laugh for Comic Relief - Thank you so much for your £1 donations; they really do make a difference. To keep the energy going, every class jumped into a House Kahoot Quiz. The competitive spirit was definitely out in force and it was great to see everyone working together for their teams. We'll be announcing the overall winning House in next Friday's celebration assembly! Thank you to Miss Stanbrook and Mrs. Brace for coordinating this entertaining charity event.

Looking ahead to next week, we are hosting our Parent-Teacher Consultations. These meetings are incredibly important to us as they are a vital chance to sit down together, celebrate your child's progress and discuss how we can continue to support them. If you haven't managed to book a slot yet, please do contact the school office as soon as possible to make an appointment. We really value the opportunity to work in partnership with you.

Finally, we send our warmest wishes to all our families who have been observing Eid as-Fitr this week. We hope you've had a wonderful time celebrating with your loved ones. *Eid Mubarak!*

Siân McCarthy

General Information

Book Fair

The Book Fair is back at Walton Oak School for 3 days only! It will be open after school from 3.15 - 3.45pm on Tuesday, Wednesday and Thursday and will be found just outside the school reception office. The Book Fair will also be open during both Parent Consultations on Tuesday and Wednesday after school. 3.15 - 4.30pm on Tuesday and 3.15 - 7.00pm on Wednesday.

Please remember that it is **CASH ONLY**. Look forward to seeing you there.

Fidget Toys

Please can you ensure that children are not bringing in any toys or personal fidget tools (including blue tac or putty) from home. If children require the use of a fidget tool, we will provide this from school and it will be allocated and monitored as part of a learning plan.

Kind Words

We have noticed a trend of children engaging in "roasting," which is name-calling for fun. While often intended as "banter" between friends, it is difficult for children to know when this stops being funny and begins to cause genuine hurt. Our Walton Oak Way values are rooted in kindness and respect; therefore, any form of name-calling is considered unacceptable, even with consent. We will apply clear consequences for any child who causes harm through name-calling and we would greatly appreciate this message

being reinforced at home. Thank you for your support in keeping our school a positive and safe environment for everyone.

Public Health Protection Advice - Meningococcal (meningitis and septicaemia) disease

Please see the update from the Surrey County Council Health Protection Team at the bottom of this newsletter (just below the dates). It is providing some important public health information. It shares that the risk of Meningococcal (meningitis and septicaemia) disease is low but provides helpful information about recognising symptoms.

Transition

Nursery

Are you looking for a nursery place for September? We hold tours of our nursery on Fridays at 9.00am. Please call the school office to book.

Andy – 2S	Eden – 2S	Ibrahim – 2S

Book Review

THE EXPERIMENT - By Rebecca Stead

Review by *Amelie*

This is one of the books we read in book club and I would highly recommend this book to older readers (I suggest 10 and over) that want an adventure and a questioning novel.

The experiment is about an ordinary boy called Nathen with an extraordinary secret. He is an alien! But is he actually? This gets him thinking who am I and is what he's brought up to believe true?

I absolutely loved this book, the plot is amazing and what you think you know turns upside down. Rebecca Stead is a brilliant author captivating the readers with a curious beginning that leads into a thrilling twist. This great book also has sprinkles of friendship love and showing that someone isn't born with a mean streak and but they have the choice of stopping their streak which I think is really special because the bad guy in the book doesn't get that what she is doing is bad it's most likely because it's an experiment...

Tiny Happy People

Finger Painting

This week's activity to try at home is finger painting. An activity that most children love, it's great for children to explore with paints and use their imagination. Children can explore the sense of touch, let them take the lead and talk about how the paint feels as well as what they're painting. Click on the link to see some activities to try with your child:

<https://www.bbc.co.uk/tiny-happy-people/articles/zhw7639>

Oracy

Take Home Focus – Let’s Talk!

In the news this week

A new series of the television programme, *Gladiators*, has recently returned to screens. The show features athletes competing in physical challenges such as strength, speed, and endurance events. The show is broadcast on the BBC and has attracted large audiences, including families and children. *Gladiators* train for many years to compete at a high level and often speak about discipline, teamwork, and preparation.

Things to talk about at home ...

- > Do you watch *Gladiators* at home, or are there other TV programmes you enjoy watching together as a family? What do you think makes someone on TV a good role model?
- > What skills or qualities do you believe are most important in a role model?
- > Share and talk about some of the people you look up to at home, and explain why you admire them.

Please note any interesting thoughts or comments

Share your thoughts and read the opinions of others

Extra-Curricular Events

Chelsea FC Inspire Event

Our Year 5 and 6 girls recently had the fantastic opportunity to take part in a Chelsea FC Inspire Her event, and it was a truly memorable day for everyone involved. The girls participated in a series of fun mini tournaments, where they showcased their teamwork, determination, and growing confidence on the pitch. Alongside this, they took part in a creative “snakes and ladders”-inspired activity, which encouraged collaboration, communication, and problem-solving in an engaging and interactive way. It was wonderful to see the girls so

enthusiastic and supportive of one another throughout the day. They thoroughly enjoyed stepping out of their usual routine, trying something new, and getting actively involved in sport in such a positive environment. A big well done to all the girls for their excellent attitude and effort—you represented the school brilliantly and should be very proud!

Year 5 Football

Walton Oak rounded off their season in style with a well-earned 2–1 victory over Burhill in their final fixture. The breakthrough came courtesy of a moment of real quality, as Zac opened the scoring with an outstanding volley, expertly connecting with a superb delivery into the box from Noah. Noah was on hand for Walton Oak's second providing another assist this time setting up Fraser to finish off a slick team move. Burhill pulled one back to make for a tense finish but the boys held firm to see out the win and end the season on a high.

The Year 5s have finished strongly, putting together an impressive run of five unbeaten games to reach a total of 13 points—an excellent achievement and a testament to their hard work and development over the season.

It has been a real pleasure coaching this group of boys and hopefully there will be an opportunity to continue supporting their development as they move into Year 6. Well done to all the boys for a fantastic season.

Enrichment Activities

Year 3 Sleepover

The Year 3 children had an amazing time at their recent sleepover, enjoying a range of exciting and engaging activities. They especially enjoyed getting creative by making their own clay sphinxes and designing hieroglyphic bookmarks. The children also had lots of fun working together during a lively game of benchball and loved making and eating their delicious chocolate cornflake treats. A real highlight of the evening was setting up their own sleeping spaces, which the children took great pride in and thoroughly enjoyed.

Reception Trip to Bocketts Farm

Reception had a wonderful day on their school trip to Bocketts Farm! The children were very excited to explore the farm and learn more about the animals.

One of the highlights of the day was visiting the small animal barn, where the children had the chance to gently stroke guinea pigs, rabbits and even a chicken. They showed great care and kindness while handling the animals.

The children also enjoyed feeding the goats, sheep and llamas, who were very eager for their food! Later, we went on a tractor ride around the farm to see some of the bigger animals and learn more about life on the farm.

Another very exciting moment was watching the pig race. The children cheered loudly for the pig they hoped would win, creating lots of excitement and laughter.

To finish the day, the children had a fantastic time playing together in the large playground before heading back to school.

Throughout the trip, the children were respectful to the

animals, listened carefully to instructions and represented the school brilliantly. We were very proud of how they behaved and it was a memorable day for everyone involved!

Drumming Workshops

This week, our school was filled with rhythm, energy and excitement as we welcomed a fantastic drumming workshop for Year 1-Year 6! The hall was alive with the sound of drums as the children explored different beats, rhythms and patterns.

The sessions were highly engaging, with every child given the opportunity to take part, learn new skills and perform as part of a group. It was wonderful to see such enthusiasm, teamwork and confidence as the children worked together to create music.

The workshop not only developed the children's musical understanding but also supported their listening skills, coordination and sense of timing. Many children showed

great perseverance as they tackled new rhythms and challenged themselves to keep in time.

A huge well done to all of the children for their fantastic participation and behaviour. We look forward to building on this excitement in our music lessons

Year 1 trip to Wisley

Year 1 had a wonderful day at Wisley yesterday, enjoying beautiful weather throughout the trip. The children were fantastically behaved and represented the school brilliantly. We were incredibly proud of the way they conducted themselves, clearly demonstrating the school's ethos through their kindness, curiosity and respect throughout the day.

We would like to extend a big thank you to our parent helpers, who kindly gave up their time to support us, it was greatly appreciated. During the day, the children had lots of fun, including chasing away some very determined ducks at lunchtime! They also explored the gardens, where they discovered some of the oldest and largest trees on site.

A highlight of the visit was an engaging and informative workshop, which provided the children with a deeper understanding of the natural world. Overall, it was a fantastic day filled with learning, exploration, and plenty of smiles!

Pastoral News

Finding budget-friendly dining options for families can be a challenge, but many restaurants, pubs and cafés across the UK offer free or discounted meals for children. Here's a comprehensive guide to where kids can eat for free or at a reduced price in 2026.

Morrisons Cafes

- Kids eat free at Morrisons cafes with the purchase of an adult meal (£5 or more).
- Offer applies to children under 16.

Dunelm Pausa Cafes

- Kids eat free when an adult spends at least £4 at a Pausa cafe. Includes a main, drink, and two snacks.

IKEA Restaurants

- Ikea can always be relied upon to have affordable options, such as kids' pasta with tomato sauce and a drink for 95p.
- Other kids' meals available for £1.95. Additional deals available with a free IKEA Family card, such as free tea or coffee.
- Offer available daily from 11 AM.

Brewers Fayre, Table Table & Whitbread Inns

- Unlimited breakfast: Up to two kids eat free with every adult breakfast (£10.99).
- Offer available daily.

Diversity and Equality

Role Models

This week the children learnt about the different skills people have, how they develop them and how they use them to inspire others.

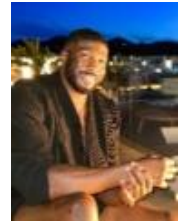

They explored the TV show 'Gladiators' and learnt about whether the cast (the Gladiators themselves) were good role models and why.

Jodie Ounsley (Fury): As the first profoundly deaf professional female rugby player, Jodie shows that wearing a cochlear implant is no barrier to reaching the very top.

Toby Olubi: An Olympic bobsledder who started out as a teacher, Toby proves it's never too late to chase your dreams and break boundaries.

Kanwarjeet Kaur Baines: As the first British Sikh woman to powerlift for Team GB, she shows that you can stay true to your heritage while becoming a world-class trailblazer.

We looked beyond just "outward" talents like strength or speed to explore the invisible skills that truly make someone an inspiration. We discussed how a true role model is defined by their kindness, resilience and ambition. We've encouraged the children to reflect on their own unique skills this week and to think about how they can use their talents to support and inspire those around them.

UN Rights of the Child

Each gladiators' focus on practising their skills shows children they can develop their own talents. Adults should support children to discover and nurture their talents.

6
LIFE, SURVIVAL AND DEVELOPMENT

British Values

Individual Liberty

Gladiators celebrates our freedom to choose who we want to be by working hard and developing our strengths. We can all respect the rights of others and play fairly.

Protected Characteristics

By welcoming everyone equally, the programme, Gladiators, proves that true champions are defined by the different qualities they possess.

FOWO

Summer Fair Advertising Boards – Can you host?

We're on the lookout for host sites to display Seymours boards promoting this year's Summer Fair. Each board earns £20 for the school, making this a simple but hugely effective way to support our fundraising. If you have a suitable front garden or visible space where a board could be displayed in the run-up to the fair, we'd be incredibly grateful. **We need 30 addresses for where board can go before 04 April 2026 to ensure we get the donation from Seymour's**

Hosting a board costs you nothing and makes a real difference to what we can provide for the children. Let us know if you can help by emailing fowo@lumenlearningtrust.co.uk .with the subject line 'Summer Fair Boards'

Leftover Party bag or Cracker Fillers? Donate them to FOWO

With birthday parties always on the go, those little toys from party bags often end up forgotten at the back of a drawer. **FOWO would love to give them a second life.**

If you have any of these unused small toys tucked away, please drop them off - bagged - by the Uniform Rail in reception, or hand them to a member of the FOWO team if you spot one of us around school. We would love to reuse them for little games at the upcoming Summer Fair!

Thank you for helping us cut down on waste and support school fundraising in a fun, simple way

Teddy Rehoming done the right way! Donations for the Teddy Tombola Welcome!

FOWO is now collecting cuddly toys for our hugely popular Teddy Tombola at the Summer Fair, and we'd love your help to make it another fantastic success.

If you're having a clear-out or have soft toys that are still in great condition but no longer played with, we'd be delighted to give them a new home. Every donated teddy helps us keep this much-loved stall fully stocked and raises valuable funds for the school.

Clean, undamaged cuddly toys can be handed to a member of the FOWO team or you can get in touch via fowo@lumenlearningtrust.co.uk.

Thank you for supporting the fair and helping these teddies find new families

Yr3 & 4 Cake Sale – Thanks Again

Thank you to everyone that brought a cake along, or bought a cake from this afternoon's cake sale! It was a great success again, and we will update the amount raised next week.

Job opportunities across Lumen Learning Trust and its schools

The Echelford Primary School is recruiting: We are looking to appoint a Teaching Assistant who has a passion for creating lifelong learners, is committed to inclusion and equality and has high expectations of themselves and every child. The role will be to support children in their learning and development, in small groups or with individual pupils as directed, including those with additional educational needs. Working Hours are 31.25 hours per week, term time plus one week (38 weeks per year) to be worked Monday to Friday. 8.30am - 3.15pm
For more information please **click on the link on page 1.**

Celebrations

Achievements outside of School

Felipe took part in a judo competition in High Wycombe on Saturday 14th March, where he won a gold medal in his category. He also received the Spirit Trophy for showing great sportsmanship, caring about his teammates, and greeting all the competitors.

Felipe is pictured with his brother ex pupil Nicolas, who also won a gold medal in his category.

Well done Felipe & Nicolas

Gold Leaves

Well done to the following children who all received a gold leaf this week for following our Walton Oak Way Values:

Ladybirds	Reign
Hedgehogs	Arlo, Phoebe, Eliya, William, Rory, Eli & Aria
Squirrels	Moriam, Zak, Zak, Louis, Theo, Ella, Anna & Elodie
1N	Muhammed
2S	Victoria, Bobby, Tiya & Cecie
3B	Sienna & Kirthana
3G	Sandra, Phoebe & Dylan
4C	Heidi
4A	Leandra & Seren
5C	Jessica, Musbah, Tommy & Amelia
5M	Lola, Queendellin, Felipe, Henry, Sophie, Amelie, Lola, Mustafa, Joshua, Laura & Felipe
6J	Daisy & Asenath

On behalf of the Walton Oak staff team we wish you a pleasant weekend.

Wed 22 nd Apr	6BD Parent Consultations 4.20-7.00pm

Meningitis and Meningococcal Disease

Information for young people, their parent and carers

Young people and families will likely have seen the news reports about a number of cases of invasive meningococcal B disease linked to the University of Kent and the local area. Very sadly 2 young people have died, and others are being treated in hospital.

Meningococcal (meningitis and septicaemia) disease is an uncommon but serious disease caused by the meningococcal bacteria. It is rare to 'catch' meningitis from anyone who has the disease, most cases happen in isolation, so situations like the one in Kent is unusual. There are currently no cases of the disease in Surrey and there is no cause for concern. Surrey County Council Public Health team are sending this information for important awareness raising only.

University students and young people of school age are at increased risk of meningitis as they are more likely to carry the bacteria that can cause disease, and because bacteria spread more easily in settings where young people live, study and/or socialise together closely.

However, anyone can be affected, and everyone should be aware of the signs and symptoms of meningitis as early detection and treatment saves lives:

- a rash that doesn't fade when pressed with a glass
- sudden onset of high fever
- severe and worsening headache
- stiff neck
- vomiting and diarrhoea
- joint and muscle pain
- dislike of bright lights
- very cold hands and feet
- seizures
- confusion/delirium
- extreme sleepiness/difficulty waking

Symptoms can appear in any order, and some may not appear at all. Do not wait for a rash to appear. If someone is ill and getting worse, trust your instincts and get immediate medical help.

People are encouraged to find out more by looking at the information available from Meningitis Now, a national charity: [Meningitis - Symptoms, Causes and Treatments | Meningitis Now](#)

There are numerous strains of the meningococcal infection. Teenagers are routinely offered the MenACWY vaccination in school Years 9 and 10, which protects against MenA, MenC, MenW, and MenY. If someone missed this vaccination at school, they can still get it up until their 25th birthday, by contacting their GP. It is especially important to do this before starting university or college where infections can spread more easily. However, this vaccine does not protect against MenB and there is currently no routine vaccination MenB programme for young adults. MenB vaccination is only routinely offered to children under two, meaning children born before 2015 (when this programme was introduced) have not been vaccinated as part of their routine immunisation schedule. Because of this, it's important to know the signs and symptoms of meningitis and septicaemia, as spotting them early can save lives.
