Headteacher's Message

It's hard to believe we are already at the end of the third week of the Autumn term. This is often the point when the 'honeymoon' period of the new school year begins to wear off a little, but our children are doing a fantastic job of living up to expectations. We continue to remind everyone about being **Ready, Respectful and Safe**, which has helped children to stay focused and calm and to reset when mistakes happen. Please continue to reinforce these messages at home so that the expectations remain consistent across our children's lives, helping them to be their best.

Our transition to our new catering company, Dolce, has not been without a couple of teething problems, but the overall picture is a tasty new menu that parents can order from home. There are still a few parents yet to sign up – if your child reports having a daily jacket potato, it might be you! Please double check that you have registered with School Grid and speak to the office if you need any support. Your child won't be able to enjoy the full menu until you have. Our kitchen staff have done a fantastic job of adapting to the new menus and feedback so far has been overwhelmingly positive. We will continue to monitor meal times - do let us know if your child reports any concerns to you.

On Monday, we will welcome prospective parents to our new parent open evening, where we will share our Walton Oak Story and hope that families will be excited about the possibility of joining us. I'm sure many of you remember your first visit to our school. We welcome each new family with the same passion, excitement and determination to do our very best for their children. We hope that, should they choose Walton Oak, their children will have an overwhelmingly positive experience that outweighs the occasional bumps in the road. We look forward to meeting some of our potential future members of the Walton Oak community.

We look forward to welcoming current parents to our "Behind the Classroom Door" and Year 1 "Stay, Play, and Learn" sessions. We know scheduling can be tough for working parents. We aim to balance staff availability with parent schedules and seeing the children in action naturally requires hosting these during school hours. With advance notice, we hope you can arrange for someone to attend. If work commitments present a barrier, please let us know so we can try to arrange an alternative way to share this information with you.

Finally, don't forget that everyone is invited to the FOWO AGM on **Wednesday 23rd September at 6pm**. The FOWO committee is always open to new members, but there is absolutely no pressure to make a full commitment. Parent support can be as involved or as casual as you like. Come along to find out what FOWO is all about, have your say and get a sneak peek at how money will be raised and spent over the coming year to benefit our children and families.

Siân McCarthy

General Information

Staff News

We are delighted to share the news that Mrs Bulford-Davies and her husband are expecting their first baby, due in early March. We know you will join us in wishing them all the best. Updates regarding the plan around Mrs. Bulford-Davies' Maternity leave will be shared with parents and children of 5BD in due course.

Encouraging pupils to reach their full potential in a safe, inclusive & nurturing environment

'Behind the Classroom Door' - Reminder

Parents and carers of children in Y1-6 are warmly invited to come and explore 'Behind the Classroom Door' on **Wednesday 23rd September**.

Our teachers in Y1-6 will be opening up their classroom doors between 3.30-5.00pm, inviting parents/carers to come along to explore their child's new learning space; take a look at the resources that will support them; meet their new class teacher; and receive important information about the year ahead, including key learning experiences for that year group.

This is an informal event, allowing parents/carers to drop in at any time between 3.30-5.00pm - children are more than welcome to join, allowing them to show their parent/carer around their new classroom. We hope to see as many parents/carers coming to take a peek 'Behind the Classroom Door'.

Stay, Play and Learn Sessions for EYFS and KS1

We invite you to come and join in some phonics learning with your child in their classroom and get involved in their play and learning. This will be followed by a brief information session to help you support your child at home with their phonics.

Harvest Festival – Supporting Our Local Food Bank

This Harvest Festival, we are delighted to be supporting our local food bank once again. We would be very grateful for donations to help support local families who may be experiencing difficult times.

Please see poster below of the list of supplies needed. There will be a collection table in the main Reception area from **Tuesday 13th to Friday 16th October at 9am**, where families can leave their donations. Alternatively, donations can be given directly to your child's class teacher.

This is a really important cause, and your generosity can make a real difference to families in our local community. The Foodbank is extremely grateful for the generosity from the Walton Oak families every year.

Forest School Provision

We are really pleased to be able to continue to enhance our curriculum through the use of Forest School. The research shows that getting outside into nature provides children with positive experiences and supports their mental wellbeing. The ethos of Forest School helps to develop connections with nature, build positive relationships, extend specific skills, build independence and support the understanding of our own environment.

After the success of our Forest School Days last year, we have decided to extend our offer further for Years 2-6 so that they experience two full days a year to enhance their learning in a practical experience. Please see the details below for each year group, including the dates for the Forest School days being run in the Autumn term:

Year Group	Forest School Plan	Programme dates for Years N-1 & Autumn Term Date for Years 2 -6
Nursery	The Forest School Programme run by Mrs.Bailey	Spring 1- Summer 1
Reception	Twice a half term	Friday Afternoons
Year 1	The Forest School Programme run by Miss Bessant	Spring 1 - Summer 2
Year 2	2 Full Forest School Days	Day 1 - Friday 6th November
Year 3	2 Full Forest School Days	Day 1 - Wednesday 7th October
Year 4	2 Full Forest School Days	Day 1 - Monday 12th October
Year 5	2 Full Forest School Days	Day 1 - Wednesday 18th November
Year 6	2 Full Forest School Days	Day 1 - Monday 9th November

We will be in contact with each year group to explain how your child's session will work and what they will need to bring with them for their session. If your child is in a year group that will be having a Forest School day, please save the date and keep your eyes peeled for more information.

UKHSA: guide to keeping kids healthy this school year for parents and carers

As children head back to school and we move closer to winter, now is a good time to familiarise ourselves with some of the common illnesses that can cause disruption to children's time in school during the colder months.

Teach good hygiene habits:

Good hygiene stops infections from spreading, which means less disrupted learning time. Teach your child to wash their hands thoroughly with soap and warm water, use tissues for coughs and sneezes, and stay away from others when sick. Letting in fresh air can also reduce the spread of airborne viruses. UKHSAs [e-bug resources](#) for all ages can help you to explain and discuss hygiene habits and why they are important, to your child or teenager.

Know when to keep your child at home:

The start of a new term is a good time to familiarise yourself with the symptoms of common illnesses: it's fine to send your child to school or nursery with a minor [cough](#) or [common cold](#) if they are otherwise well and do not have a high temperature. But if your child has a fever, they should stay home from school or nursery until they feel better, and the fever has resolved

If they have [diarrhoea and/or vomiting](#), they should stay home while unwell and for at least 48 hours after their last episode. This is because common causes of diarrhoea and vomiting include norovirus, which can still be excreted for up to 48hrs after symptoms stop.

It is no longer recommended that children and young people are routinely tested for COVID-19 unless directed to by a health professional. But if your child has tested positive for COVID-19, they should try to stay at home and avoid contact with other people for 3 days after the day they took the test. Children and young people who usually go to school, college or childcare and who live with someone who has a positive COVID-19 test result should continue to attend as normal.

If your child has the symptoms of [measles](#) (outlined below) and has not had both doses of the MMR or MMRV vaccine, they should not attend school until 4 days after their rash started. This is because they will be highly infectious during this period.

The NHS has a [useful guide](#) to help parents decide whether a child is well enough to go to school, based on their symptoms.

Know how to spot the signs:

There are other types of illnesses to watch out for at this time of year, including bacterial infections such as scarlet fever. Although we see cases throughout the year, they usually peak in the late winter and early spring. The most common symptoms of [scarlet fever](#) include sore throat, fever, swollen neck glands, a bumpy rash on the chest and tummy with a sandpaper-like feel, flushed cheeks and 'strawberry tongue'. If you suspect your child has scarlet fever, contact your local GP. Stay away from nursery or school for 24 hours after the first dose of antibiotics.

Since autumn 2023 there have been a number of major measles outbreaks in the West Midlands, North West and London, with sporadic cases across the country. In 2024, England saw the highest number of measles cases since 2012. Outbreaks have continued in 2025 and 2026. Measles can be a very serious disease for some children and tragically it can even cause fatalities. The initial symptoms of measles are similar to those for a cold (runny nose; a cough; sneezing; a high temperature; and red, sore, watery eyes). This is followed by white spots in the mouth a few days later, and by a rash on the face and body a few days after that. It's very unlikely to be measles if your child has had both doses of the [MMR/MMRV vaccine](#) or they've had measles before.

Viral infections such as chickenpox can also spread in schools and are highly contagious. An itchy, spotty rash is the main symptom of [chickenpox](#). It can be anywhere on the body.

For more information please follow the link to the [UKHSA blog](#).

Transition

Reception Intake 2027 - Prospective Parents Information Evening

We are holding a Prospective Parents Information Evening for Reception 2027 intake on Monday 21st September 2026 from 6.30pm -7.30pm. Book a place [here](#).

Reception Intake 2027 - Head/Deputy headteacher group tours

We are also running several Head/Deputy headteacher group tours. Please do come along to see the school in action and find out more about provision for children at Walton Oak. Click [here](#) to book a place.

Walton Oak Nursery – places available for 2026 and beyond!

We are incredibly proud of the Nursery provision at Walton oak, rated as Good as part of our most recent school Ofsted. Although the Nursery remains very popular, we still have a few 15 and 30 hour places for 2026-2027 available and we welcome applications for our waiting list. Unlike many private nurseries, there are no registration fees and children can be registered from birth. If you have younger children not yet registered we would encourage you to complete the application form found [here](#). Please do share this link with any friends and family that may want to join the Walton Oak Community. Further information can be found on our [website](#).

Surrey CC Guidance for Secondary Transition

If your child will reach the age of 11 between 1 September 2026 and 31 August 2027, they will be due to start secondary school in September 2027. You can apply for a secondary school place from **1 September 2026**. The closing date for on-time applications for secondary schools is **31 October 2026**.

Reading

Reading for Pleasure **The Open University**

Inspiring Reading

Children need support to develop the habit and love of reading. How can you be their inspiration?

Tempt

- Talk about your child's interests - find connected texts that tempt to explore and discuss together. Go on a reading treasure hunt!
- Find regular opportunities to visit your local/ school library.
- Recognise and celebrate diversity in texts - empower reading of magazines, comics and texts that reflect different realities.

Share

- Make reading time relaxed and interactive - chat about pictures, characters, likes, dislikes and interesting facts.
- Find regular time to read aloud and share texts together.
- Invite others into the reading space - welcome siblings, grandparents and other family members to share and talk about top reads together.

Support

- Be a reading role model - share what you like to read in your own time.
- Ensure that reading and book chat are part of the everyday family routine. Think about when and how this could best fit into your day.
- Join in with school opportunities to build a home-school reading connection.

Child-led desire to read

For more inspiration, visit <https://ourfp.org/>
X @OpenUni_RfP

Tiny Happy People

This week's activity is aimed at 4-5 year olds and it's called 'Playing the face game'. This is a game all about facial expressions and communicating about emotions. It can sometimes be hard for children to communicate and express their feelings, this is an activity that can be used to help children express themselves. You could play this at home, on the school run, in the car or even at bedtime.

<https://www.bbc.co.uk/tiny-happy-people/face-game/z8sgr2p>

Let us know how you get on. We'd love to hear from you.

Oracy

Take Home Focus – Let's Talk!

Do wild animals have as much right to the land as we do?

In the news this week

Nepal has announced that its wild tiger population has more than tripled, rising from 121 tigers in 2010, to 429 today. Officials say the turnaround is the result of years of protected wildlife corridors and local communities working hand-in-hand with conservationists to protect the big cats. With tiger numbers now increasing, more encounters between tigers and nearby villages are leaving experts asking how people and wildlife can safely share the same land going forward.

Things to talk about at home ...

- > Do you think it's fair that wild animals need the same land that people want to use? Why?
- > If you lived near a forest with tigers, would you feel excited, nervous, or both? What would help you feel safe?
- > Is there an animal, plant, or wild space near where you live that you believe deserves more protection? What would or could you do to help it?

Please note any interesting thoughts or comments

Enrichment Activities

Enrichment Clubs Get Off to a Flying Start!

Our Enrichment Clubs have got off to a fantastic start this week, with children enjoying a wonderful variety of exciting activities and experiences after school.

From sport and dance to creative activities and new skills, there really is something for everyone! It has been lovely to see so many children getting involved, trying something new and having fun with their friends. We are delighted with the enthusiasm shown by our pupils and the fantastic range of clubs on offer this term.

A special thank you to Mrs Bourne for all her hard work organising and coordinating our Enrichment Clubs. There is a great deal of work that goes on behind the scenes to make our programme such a success, and we really appreciate everything she does to provide our children with such a fantastic range of opportunities.

There are still spaces available in some of our clubs, so if your child would like to join an activity, please email the office. Please see the list below for the clubs with places remaining:

Rugby Rockets - Reception & Year 1 - Mondays

Football - Years 1 & 2 - Mondays

Board Games - Years 3 & 4 - Mondays

Football - Years 5 & 6 - Mondays

Art & Craft - Reception - Tuesdays

Football - Years 1 & 2 - Tuesdays

Cheerleading - Years 1, 2 & 3 - Tuesdays

TTRS - Years 5 & 6 - Tuesdays

Storytime - Reception & Year 1 - Wednesdays

Cheerleading - Years 4, 5 & 6 - Wednesdays

Multi Skills - Years 1 & 2 - Thursdays

TTRS - Years 3 & 4 - Thursdays

Dance - Reception & Year 1 - Fridays

Cricket - KS2 - Fridays

Rugby - KS2 - Fridays

We're looking forward to another term packed with fun, learning and new experiences!

FOWO

FOWO AGM – Find out what we're planning for 2026/27!

We're kicking off the new school year with our **FOWO AGM** on **23 September, 6 - 7pm** in the **school hall**, and we'd love to see you there. The AGM is a relaxed, welcoming meeting where we share what FOWO has been up to, celebrate the successes of the past year, and reveal our plans for the months ahead.

There will be updates on events, fundraising, and projects that directly support Walton Oak pupils. It's also a chance for parents to bring fresh ideas, ask questions, and learn how FOWO works behind the scenes. You don't need to volunteer or take on a role—just come along, have a listen, and get a feel for the friendly community that keeps FOWO running.

If you've ever wondered how events like the Summer Fair, discos, cake sales, or festive activities come together, this is the perfect opportunity to find out. We'd love to welcome you.

Give Uniform a Second Life at Walton Oak

Don't forget you can pick up pre-loved school uniform from the FOWO Uniform Rail in reception, and **all items are just £1 per piece**. Every reused jumper/cardigan, skirt/short or PE top helps cut down on textile waste and keeps Walton Oak's community moving towards a more sustainable future.

If you have any requests about what you need, please email fowo@lumentlearningtrust.co.uk and we can check stock

Pastoral News

Home School Link Worker Role

The children are beginning to settle well into the routines of the school day, and it has been lovely to see them becoming more confident and familiar in their new surroundings.

We felt it would be helpful to introduce and remind parents of the pastoral support at Walton Oak. Our Home School Link Worker is **Mrs Natasha Herron-Duke**. Her role is to support the children and families of the Walton Oak community and ensure that the children feel confident and enjoy their school experience, feeling happy.

Natasha helps to provide a link between the home school relationship, working in partnership with parents and carers.

If you have any worries or concerns about your child, their experiences at school, or circumstances at home, please feel welcome to reach out and Natasha Herron-Duke would be happy to arrange a call or in-person meeting to listen or offer support and consider further assistance if needed.

Please also be reminded of recent communication regarding **Sarah Barnes from the North East Nursing Team**. She will be visiting school **on Thursday 1st October**. Further information can also be found on the posters outlined in your child's classroom window.

Job opportunities across Lumen Learning Trust and its schools

Darley Dene Primary School is recruiting: We are seeking to appoint a highly enthusiastic, proactive, flexible and reliable individual for the role of Teaching Assistant. This is an opportunity for individuals who are patient and emotionally resilient to join our friendly, inclusive and inspirational team of teaching and support staff. If you actively enjoy working with children in a stimulating and creative environment, have experience ideally within the education sector and are professional in your approach with a desire to make a lasting personal contribution to our children's lives, we want to hear from you. For more information please **click on the link on page 1.**

Celebrations

Gold Leaves

Well done to the following children who all received a gold leaf this week for following our Walton Oak Way Values:
