Headteacher's Message

It has been an eventful week at Walton Oak. On Monday, Mrs Bourne and I were joined by Craig Reid, one of our Governors, for a learning walk as part of our ongoing monitoring. We visited classrooms across the school to evaluate the quality of education our children are receiving and were pleased to see high levels of engagement, alongside the consistent use of our agreed teaching strategies. We also identified some areas for development and by doing this early in the term, we can set clear goals and continue to monitor our progress as the year moves forward.

On Wednesday, our Year 4 children enjoyed their first off-site visit of the academic year. They took a walk down to the river by Walton Bridge, where they sketched the landscape using techniques they have been learning in class. Fortunately, the weather was kind to us and the children returned with some lovely artwork in their sketchbooks.

I would also like to take a moment to respond to some feedback we have received from parents about our revised approach to Stay on Green, particularly around children receiving recognition for positive behaviour. To clarify how the system works, I have shared the posters that are displayed in every classroom across the school. Staff should be making every effort to notice, name and recognise children for their positive learning behaviours, as well as the safe and respectful choices they make throughout the day. If you have any concerns that you feel your child's positive behaviour may have been overlooked, please do speak with your child's teacher so that we can understand and address this together.

Recognition & Rewards

Verbal praise and recognition - Adults will let you know when they have noticed you being your best.

 **Green points** - collected by the whole class to earn **Green Time** when a target is reached.

 **Bronze, silver and gold awards** - can be earned by demonstrating exceptional examples of following the Walton Oak Way

Recognition & Rewards

Share exceptional learning with school leaders - So they can celebrate your efforts with you.

 **Photocopied learning to go home** - Exceptional learning to be copied so that it can be celebrated at home.

 **Postcard home** - To share improvements and exceptional personal achievements in learning and behaviour.

There may be occasions when a child moves away from green while they are navigating a big feeling or finding it difficult to make the choices that help them to be at their best. Our approach is intended to support children in recognising their emotions, using strategies to regulate themselves and becoming ready to learn again. While there may be natural or more formal consequences if a child is unwilling or unable to accept support, for most children, taking a moment, using an appropriate strategy and feeling ready again will allow them to return to where they were on the chart without further issue. Our aim is always to help children learn from these moments, develop their independence and build the skills they need to manage themselves successfully.

Looking ahead, our elections for House Captains and Pupil Parliament representatives will be getting underway next week. These are important opportunities for our children to have their voices heard, take on responsibility and contribute to the life of our school. We want our children to understand that their ideas and opinions matter and these roles provide a meaningful way for them to represent their peers, listen to the views of others and help shape our school community.

Siân McCarthy

General Information

Inset Day – Friday 2nd October

Don't forget tomorrow is an INSET day which means school is closed to children, as Staff attend a Lumen Learning Trust training day.

Stay, Play and Learn Sessions for EYFS

We invite you to come and join in some phonics learning with your child in their classroom and get involved in their play and learning. This will be followed by a brief information session to help you support your child at home with their phonics.

NEW - Shake, Rattle and Rhyme

Do you have a little one aged 1–3 years? Bring them along for a joyful, music-filled adventure at our Shake, Rattle & Rhyme sessions! Together we'll sing, move, and explore fun instruments, perfect for sparking curiosity and conversation.

We're running our next session on: **Thursday 8th October 10.00am-10.45am**

Do you know other families with toddlers? Invite your friends and make it a playful outing together, we'd love to see you there for plenty of smiles, music and fun!

Mrs. Bailey and Mrs. Herron-Duke look forward to welcoming you for an exciting musical session.

Transition

Reception Intake 2027 - Head/Deputy headteacher group tours

We are running several Head/Deputy headteacher group tours. Please do come along to see the school in action and find out more about provision for children at Walton Oak. Click [here](#) to book a place.

Walton Oak Nursery – places available for 2026 and beyond!

We are incredibly proud of the Nursery provision at Walton oak, rated as Good as part of our most recent school Ofsted. Although the Nursery remains very popular, we still have a few 15 and 30 hour places for 2026-2027 available and we welcome applications for our waiting list. Unlike many private nurseries, there are no registration fees and children can be registered from birth. If you have younger children not yet registered we would encourage you to complete the application form found [here](#). Please do share this link with any friends and family that may want to join the Walton Oak Community. Further information can be found on our [website](#).

Surrey CC Guidance for Secondary Transition

If your child will reach the age of 11 between 1 September 2026 and 31 August 2027, they will be due to start secondary school in September 2027. You can apply for a secondary school place from **1 September 2026**.

The closing date for on-time applications for secondary schools is **31 October 2026**.

Reading

The Importance of Reading

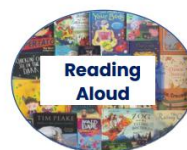

Reading regularly is one of the most valuable things children can do to support their learning. It helps to build vocabulary, improve writing, develop imagination and strengthen understanding across the whole curriculum. Just 10–15 minutes of reading at home each day can make a real difference. Sharing a book, listening to your child read, or simply talking together about what they are reading all helps to build confident, enthusiastic readers.

Supporting Readers at Home

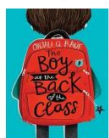

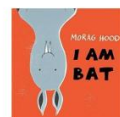

Open University research suggests there are three important ways to support readers to develop a love of reading.

Reading aloud to your children shows them reading is enjoyable, not a chore. Older children can read to younger ones, too.

Making time to read alongside one another helps develop children's reading stamina and motivation. Let them choose what to read and relax together.

Children who read and are supported as readers develop strong reading skills and do better at school.

Book Chat encourages readers. Invite them to make connections and share their views. Join in with your thoughts, too!

I wonder if...why...what...who...

For more ideas, visit the OU RfP website: www.ourfp.org

School Library Parent/Carer Volunteers

Do you have a love of books, an enthusiasm for supporting children and a little time to spare? We would love to welcome parent volunteers into our school library. It is a much-loved space and an important part of school life, where having a few extra pairs of hands would make a real difference.

Volunteers could help with keeping the library organised and welcoming, scanning books back in and supporting the day-to-day running of the space. You may also have opportunities to chat with children about their reading, help children who visit the library and work alongside our Reading Ambassadors. You will be supported by our English Lead and members of the school team, so you won't be on your own.

If you think you could spare some time to help us make our library an even more vibrant and enjoyable place for our children, please let the school office know. We would be delighted to hear from you!

office.waltonoak@lumenlearningtrust.co.uk

Tiny Happy People

Quiz

Got a spare 5 minutes? Not sure what to do with your child? Then take this quiz which will direct you to a quick and fun activity to do! Answer a few simple questions, the website does the work for you and will select an activity that suits you and your child. With half term approaching what a great tool to have in a click of a button.

Take Home Focus – Let's Talk!

Enrichment Activities

Walton Bridge Art Trip

This week, Year 4 took their art learning outdoors for a fantastic sketching session at Walton Bridge! The children carefully observed the bridge and its surroundings, using the sketching techniques they have been developing this half term, including hatching, cross-hatching, stippling and scumbling, to capture the details they could see.

We were incredibly proud of the focus, creativity and perseverance they showed throughout the afternoon. What a wonderful way to bring their art learning to life!

Fantastic work, Year 4!

AIM High Maths Day

On Wednesday, several Year 5 and 6 children went to Cardinal Newman School to attend the A.I.M. High Maths Day. Andrew Jeffrey, also known as The Mathemagician, showed the children tips and tricks on how to work out calculations quickly. Using fun games, children were able to practice these skills and were amazed to realise these made calculations easier. Andrew also showed how spotting number patterns was an important part of being a good mathematician. Children left the session excited to show off their new skills.

"Maths day was really exciting. I am really eager to show everyone what I learnt. The person that led it made maths seem much more exciting than it usually is in lessons! At the end, he actually did a really cool magic trick to work out when we were all born. He was definitely very good at maths and taught us a thing or two." *Sophie*

Maths day was fun because we learnt about five different techniques like a triangle - when you have to use 1, 2, 3 and 4 to add up, it adds up to 10. We did 2 games. One was called 5 by 5 where you had a grid and you had to write numbers he called out and then added them up. The other game was called Yoikes where we had to write numbers in order going up. Lastly, he did magic for us. It was very cool. *Cora*

Diversity and Equality

Allergy Awareness

On Monday, Mrs. Bourne led a whole school assembly exploring Benedict's Law and sharing important information with the children about allergy awareness. They discussed how life can look different for people living with allergies, often having to make different decisions about things they might eat or products they will use. During the assembly, the children learnt about the different reactions that people might have to an allergen including a rash, spots appearing, itching and even difficulty breathing - known as anaphylaxis. To support the children's learning, they watched a short video clip about a young boy called Callum who lives with 28 allergies. You can view the clip at home by following this link: <https://www.bbc.co.uk/newsround/av/47698567>

Read through the information below about the new changes for schools. Share your thoughts. Do you think it's important that everyone learns more about allergies in school?

Allergies

What is an allergy?

An allergy is a medical condition. It happens when someone's body reacts to something that is usually harmless to most people. The thing that causes the reaction is called an allergen.

People can be allergic to foods, medicines, insect stings, pollen, animals and other substances.

Some of the symptoms or reactions people might have when they have an allergy.

Source: SiberianKrt

What is Benedict's Law?

Benedict's Law is named after a young boy called Benedict, who had serious allergies. His family worked very hard to help the government understand why every school needs clear allergy-safety rules.

The changes mean schools in England must plan carefully, train adults, keep emergency medicine available, and make sure children with allergies are safe and included.

House Competitions

House Captain Launch 2026-27

On Monday, Mrs. Bourne launched this year's campaign to elect our House Captains for 2026-27. Children in Years 2 and 6 have the opportunity to apply for this role by completing a short application form. We have had a number of completed applications already but if your child has not yet handed one in, they have until the end of the day on Monday 5th October to do so. All applications will then be read and a shortlisting process will take place. Some children will then be selected to go through to the next stage of the process - the campaigns and speeches. Watch this space!

FOWO

Christmas Fair – Deck the Halls, the day is confirmed!

We are delighted to share that planning is now underway for this year's **Christmas Fair**, taking place on **Friday 20 November 2026**. The school hall and surrounding corridors will once again be transformed into a festive wonderland, filled with colour, sparkle, and plenty of Christmas cheer.

If you're able to help in any way, please email us at fowo@lumenlearningtrust.co.uk. Your support truly makes these events possible.

How you can support FOWO:

- **Sponsorship** — If you or your employer would like to support the school, we would love to hear from you. Opportunities range from sponsoring Santa's grotto to donating a hamper for the raffle. Please get in touch to explore how you can get involved.
- **Match Funding** — Match funding the Christmas Fair is an incredible way to double the impact of every penny raised. It's a simple process and makes a huge difference to the final total. Please reach out if your employer or company is able to support
- **Raffle Prizes** — Donations for our festive raffle are always hugely appreciated. Prizes can include gift vouchers, experiences, products, or anything that would add a little magic to someone's Christmas. Every contribution helps.
- **Volunteers** — We will need plenty of hands on the day to run stalls, support Santa's grotto, and help keep everything running smoothly. Any time you can give will be gratefully received.

Thank you, as always, for your generosity and enthusiasm. We can't wait to bring the Christmas Fair to life with your support.

"Break the Rules" Day: A Mischievous October Treat!

Get ready for one of the most exciting days of the school year — **Break the Rules Day is back on Wednesday 14 October**. For one day only, children can bend the usual school rules and enjoy a little harmless mischief, all in the name of fundraising and fun.

A list of "breakable rules" will be shared soon, and each rule broken will cost just **50p, with all rules able to be broken for £3**. It's a brilliant way for the children to get involved, raise money for the school, and enjoy a day filled with giggles and creativity just before Half Term! We can't wait to see the imaginative rule-breaking the children come up with.

Esher Fireworks are going to go off with a bang for FOWO

As autumn arrives and the evenings draw in, there are plenty of firework displays popping up across the local area — from low-bang shows to full funfair extravaganzas. This year, we're excited to share that FOWO has teamed up with **Esher Rugby** to offer a special promotional code for their fireworks night on **Friday 06 November**.

Using this code when booking your tickets means that **a proportion of the ticket sales will be donated directly to FOWO**, helping us support the school while you enjoy a fantastic community event.

Book your tickets for the Esher Rugby Fireworks below and help support FOWO and Walton Oak at the same time. <https://www.eventbrite.co.uk/e/esher-rugbys-2026-fireworks-night-tickets-1996970204639?aff=WaltonOak>

Job opportunities across Lumen Learning Trust and its schools

Saxon Primary School is recruiting - We are looking to recruit a Teaching Assistant with a passion for creating lifelong learners, committed to inclusion who has a high expectation of themselves and every child. Working Hours: Monday to Friday, term time only (38 weeks per year) 31.25 hours per week, 8.30am to 3.15pm. For more information **click on the link on page 1**

Pastoral News

Pastoral Corner – What is ELSA?

You may have heard your child mention **ELSA**, but what exactly is it?

ELSA stands for Emotional Literacy Support Assistant and is one of the ways we offer a little extra emotional support to children in school.

Children usually attend ELSA for a short block of around 6–8 weekly sessions. Each child has a clear, individual target for their sessions, so there is a particular focus to work towards. This might be building confidence, developing friendship skills, understanding and managing emotions, coping with worries or adjusting to change.

Sessions are relaxed, friendly and often include talking, games, creative activities and practical strategies. ELSA isn't about "fixing" a child – it's about giving them a safe space to be heard and helping them develop skills and strategies they can take away and use for themselves.

At the end of the block, we look at the child's target and review how they have progressed.

Who should I speak to if I'm worried about my child?

Your child's class teacher is always your first point of contact. They know your child and see them throughout their school day, so they are best placed to listen to your concerns and consider what support might be helpful.

Not every worry will mean a child needs ELSA. Sometimes a chat, some reassurance or support within the classroom may be just what they need. Where a little more support would be helpful, the teacher can discuss this with our pastoral team so that together we can find the right next step.

Celebrations

Gold Leaves

Well done to the following children who all received a gold leaf this week for following our Walton Oak Way Values:

Butterflies	Nevaeh-Jane, Alaya,
Hedgehogs	Mabel, Mason, Lena
Squirrels	Olly, Mylo-James, June, Eden, Lando, Josie, Maaz, Alfie C, Alfie B & Noah
1G	Aria
1N	Phoebe, Luca, Lola, Hailyn, Anna, Hope. Anna, Emily, Theo, Rory, Lucas
2O	Ajwa, Joe, Bambii, Dhruv & Finn
3C	Chloe, Eden, Cecie, Daniel, Bobby, Jessie, Victoria, Oranus & Jax
3G	Shay
5BD	Jazib & Leandra
6B	Brodie, Omar, Zach, Teddy, Fraser, Summer
6J	Lola, Felipe, Immy, Henry, Joshua, Sonny, Anoushka, Suraiya

On behalf of the Walton Oak staff team we wish you a pleasant weekend.

Penalty Notice and Fines

Changes effective 19/08/24

1

FIRST OFFENCE

The first time a Penalty Notice is issued for term time leave or irregular attendance the amount will be:

£160 per parent, per child if paid within 28 days.

Reduced to £80 per parent, per child if paid within 21 days

2

SECOND OFFENCE

The first time a Penalty Notice is issued for term time leave or irregular attendance the amount will be:

£160 per parent, per child if paid within 28 days.

No reduced rate will be offered

3

THIRD OFFENCE AND ANY OTHER OFFENCES (WITHIN 3 YEARS)

The third time an offence is committed for term time leave or irregular attendance, a penalty notice will not be issued and the case will be presented straight to the Magistrates Court. Magistrates fines can be up to £2500 per parent, per child. Cases found guilty in Magistrates Court can show on a parent's future DBS certificate, due to failure to safeguard a child's education.

10 SESSIONS (5 DAYS) OF UNAUTHORISED ABSENCE IN A 10-WEEK PERIOD Penalty Notice Fines will be considered when there has been 10 sessions of unauthorised absence in a 10-week period.
