## Headteacher's Message

Today marks the end of our first half term of the academic year. The children have done remarkably well and thoroughly deserve their extended two-week half-term break, as do our hardworking staff. Thank you for your continued dedication in ensuring your children arrive at school prepared and ready to learn each day.

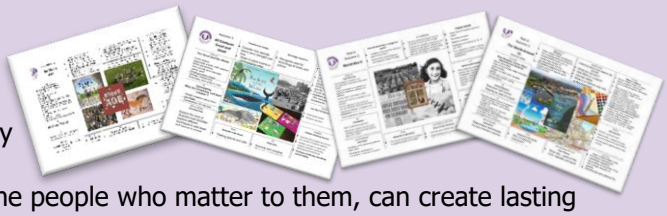

There are so many positives to reflect on this half term. Our new Nursery and Reception children are settling in beautifully, and across the school children are developing a secure understanding of how our revised behaviour system supports them to be **Ready to Learn, Respectful and Safe.**
They are increasingly applying the regulation strategies practised in their classrooms with growing independence. This is evident in the enormous number of gold leaves now filling our Golden Leaf Tree!

Today, we celebrated the children who have demonstrated the Walton Oak Way, with our WOW awards. Reception children joined the whole-school celebration assembly for the very first time. It is always lovely to see how proud the children are of their classmates as they stand up to be recognised for their achievements.

Our Hello Yellow Day last Friday was another huge success. Children across the school explored the importance of looking after our mental health and learned that being mentally healthy does not mean never feeling worried or afraid. Instead, it is about knowing how to reach out to our friends, families and communities, developing strategies to manage challenges and learn from mistakes, and discovering activities that help us feel calm, regulated, safe and happy. Thank you to Miss Stanbrook for organising such a fun-filled and important day.

Black History Month continues throughout October, with events taking place in museums and places of interest across the country. However with half term upon us, our focus in school draws to a close. It has been fascinating to investigate the lives of Black people, both well-known and lesser-known, from near and far, who have changed society and made a positive impact on our lives. Please read more about our learning further on in this newsletter. Thank you to Miss Gobie, our History Lead, for broadening our knowledge and understanding through this important work.

Finally, as you plan activities and days out with your families over half term, do take a look at the topic web for your child's year group. You may find inspiration for an activity or visit linked to their learning. First-hand experiences, particularly those shared with the people who matter to them, can create lasting memories and make a real difference to children's confidence, curiosity and learning in the classroom.

## General Information

### Staff News

Today we said goodbye to Ms. Oweida, Reception Teaching Assistant as she explores pastures new. We wish her all the best for the future.

## Parent/Teacher Consultations – 3rd & 4th November

Parent consultations are taking place on 3rd November from 1.50-4.30pm and 4th November from 4-7pm. Please ensure you book an appointment to see your child's teacher using your scopay account.

## School Lunches – School Grid

A plea, if you have booked a school lunch for your child on school grid but then decide to send your child with a packed lunch or your child is absent, please cancel the booking on school grid. Meals booked and not eaten will still be charged to the school.

## Important Allergy Reminder – No Nuts & Sesame Seeds

Many of our families are already aware that we are a nut free setting. We would also like to make you aware that we currently have a number of children with a serious sesame allergy.

Sesame can sometimes be found in foods that may not seem obvious, including breadsticks, crackers, cereal bars, bagels, breads, and other baked snacks. We kindly ask that you take a moment to check ingredient labels carefully when preparing your child's lunch.

Please avoid sending foods containing nuts and sesame into the setting and remind your child not to share food with their friends.

We greatly appreciate your support in helping us keep all children safe and included. Thank you for working with us to create a safe environment for everyone.

## Health Advice: Preventing Threadworms

Threadworms are common among young children and can spread easily. Good hygiene habits can help reduce the risk of infection and prevent reinfection.

We encourage parents and carers to support children by reminding them to:

- Wash their hands thoroughly with soap and water after using the toilet and before eating.
- Keep their fingernails short and clean, and avoid biting their nails or sucking their fingers.
- Avoid putting their hands or toys in their mouths.
- Bathe or shower regularly and wear clean underwear each day.
-

If you suspect your child has threadworms, please seek advice from your local pharmacist about appropriate treatment. Further guidance is available on the NHS website.

Thank you for your support in helping us promote good hygiene and protect the health and wellbeing of our school community.

## NEW - Shake, Rattle and Rhyme

Do you have a little one aged 1–3 years? Bring them along for a joyful, music-filled adventure at our Shake, Rattle & Rhyme sessions! Together we'll sing, move, and explore fun instruments, perfect for sparking curiosity and conversation. We're running our next session on:

- Friday 13th November 10.00am-10.45am
-

Do you know other families with toddlers? Invite your friends and make it a playful outing together, we'd love to see you there for plenty of smiles, music and fun!

Mrs. Bailey and Mrs. Herron-Duke look forward to welcoming you for an exciting musical session.

### For Sale

One of Our Trust Schools is selling a drum kit. It is a complete Gear4Music Drum Kit in good condition - £75
To buy new, this kit would cost £279.99

### Reception Intake 2027 - Head/Deputy headteacher group tours

We are running several Head/Deputy headteacher group tours. Please do come along to see the school in action and find out more about provision for children at Walton Oak. Click **here** to book a place.

### Walton Oak Nursery – places available for 2026 and beyond!

We are incredibly proud of the Nursery provision at Walton oak, rated as Good as part of our most recent school Ofsted. Although the Nursery remains very popular, we still have a few 15 and 30 hour places for 2026-2027 available and we welcome applications for our waiting list. Unlike many private nurseries, there are no registration fees and children can be registered from birth. If you have younger children not yet registered we would encourage you to complete the application form found here. Please do share this link with any friends and family that may want to join the Walton Oak Community. Further information can be found on our website.

## Reading

## School Book Fair – 2nd–6th November

We are excited to announce that our School Book Fair will be returning after half term, from **Monday 2nd to Friday 6th November!**

Throughout the week, children will have the opportunity to visit the fair during the school day to explore the wonderful selection of books on offer.

We would love to invite all families to come along and visit the Book Fair! Why not pop in after school with your child to browse the books together and perhaps choose a new favourite story? **The fair will be open after school until 4.30pm, as well as during parents' consultations.**

Please note that card payments will not be available. However, payments can be made using cash or QR codes for online payment.

Every purchase helps support reading in our school, so please do come along if you can. We look forward to seeing you there and sharing our love of books!

## Enrichment Activities

### Year 4 Forest School Day – Rivers

On Monday, Year 4 enjoyed a fantastic Forest School Day, with activities linked to their current Geography topic, Rivers. The children embraced the opportunity to take their learning outdoors, exploring nature while developing their teamwork, creativity and problem-solving skills. Working in groups, they rotated around four exciting activities throughout the day.

River Making – The children headed into Woody Oaks to create their very own rivers using mud and natural materials. They put their geographical knowledge to the test by including features such as sources, mouths, riverbanks and meanders. They then tested their creations to see whether water could successfully flow from the source to the mouth!

Raft Making – Using natural materials found outdoors, the children designed and constructed miniature rafts. They explored which materials would float and tested whether their rafts could carry small figurines without sinking.

Animal Creations – The children used mud and other natural resources to create wonderful animals that might live in or around rivers and oceans. They showed fantastic imagination and creativity while bringing their animals to life.

Wand Making – The children carefully used peelers to whittle sticks before decorating their creations with colourful wool. This activity gave them the opportunity to develop their practical skills, patience and creativity.

The afternoon also included some delicious campfire cooking, with marshmallows, before the children gathered around the fire for storytime.

It was a wonderful day filled with outdoor adventures, hands-on learning and plenty of muddy fun! We were incredibly proud of the children's enthusiasm, resilience and teamwork as they brought their classroom learning to life in the great outdoors.

## Black History Month

Over the past two weeks, we have been celebrating Black History Month, exploring this year's theme of Honouring Our Communities. The children have explored the lives and achievements of inspirational individuals, learning about their contributions to history, science, technology, the arts and wider society. We have also discussed the importance of recognising and celebrating the people who shape our communities, both past and present.

Through the activities each class has completed, pupils have reflected on equality, diversity, respect and belonging, considering how we can celebrate our differences and ensure everyone feels valued and included. The children have been encouraged to think about the impact individuals can have on others and how we can all contribute positively to our own communities. These activities have provided a valuable opportunity to celebrate Black history, broaden our understanding and recognise the importance of learning from the experiences and achievements of others.

## Hello Yellow Day

On Friday 9th October, Walton Oak was filled with sunshine as we came together to celebrate Hello Yellow Day, supporting YoungMinds and raising awareness of children's mental health.

Throughout the day, children explored the importance of looking after their minds, just as they look after their bodies. Classes took part in mindfulness activities, positive reflections and discussions about feelings and wellbeing.

We also enjoyed a whole-school mindful moment and some uplifting music at lunchtime! It was wonderful to see so much yellow across the school and everyone coming together to spread kindness, positivity and support.

A huge thank you to all our families and staff for getting involved and helping us share the important message that no young person should feel alone.

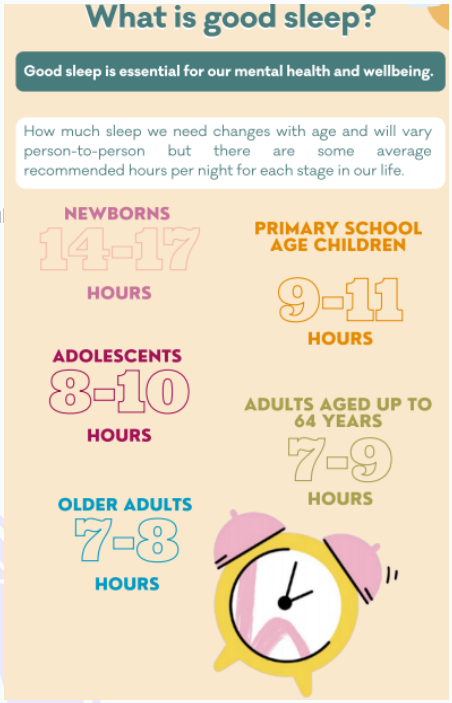

## Pastoral News

### Healthy sleep

As the evenings begin to get darker, many parents start to notice changes in children's sleep patterns. The following is advice for parents about healthy sleep and why it is important to establish these positive routines as advised by the mental health foundation.

Sleep is integral to all aspects of our lives. We sleep every day, spending about a third of our lives asleep!
Good sleep can help us to:

- Manage feelings, emotions and behaviour,
- Be alert and remember things properly, and be attentive and lea
-

However, lack of sleep or poor quality sleep can:
Make us feel low, anxious, irritable or confused and make it harder to manage our emotions and the challenges in life.
It is important give any new routine time to be established but here are some tips to try-

- Reduce screen time before bed
- Create and use a sleep diary
- Create a wind down routine
- Prioritise time during the day to exercise and move our bodies
- Consider temperature in the room, lighting and if the space is clutter free

Lastly, Be realistic and patient with your expectations.

## Diversity and Equality

### Black History Month

During Monday's assembly, the children continued their Black History Month learning around the theme Honouring Our Communities.

Mrs Bourne introduced them to Lucean Arthur Headen, a Black American inventor who moved to Camberley, Surrey, in 1931. The children learnt how his creativity and engineering inventions helped vehicles and farm machinery use fuel more efficiently, supporting farmers during the Second World War.
They also discovered how he volunteered for the Surrey Home Guard, contributing to the safety of his local community.

Lucean's story reminds us that curiosity, determination and a willingness to help others can make a lasting difference to the communities in which we live.

## House Competitions

DRAGON HOUSE · GRIFFIN HOUSE · PEGASUS HOUSE · PHOENIX HOUSE

### House Captain Campaigns

We were overwhelmed by the number of children in Years 2 and 6 that submitted an application for the role of House Captain. The children put so much time and thought into the responses to the questions within the application, showcasing their personal strengths that would be fitting for the role of House Captain. Shortlisting for this role was a very difficult job due to the sheer number of high-quality applications.

This week, the children in Years 2 and 6 were informed who had been shortlisted and these candidates were given a detailed letter explaining what they now need to do to begin their campaign for votes. After half term, the shortlisted candidates will be launching their campaigns in an attempt to get the most votes for their house team.

They will be writing a speech to present to all members of their house team. We want to take this opportunity to congratulate every child who submitted an application for this important role and to wish all of the shortlisted candidates the very best for the next stage.

## FOWO

Christmas Fair – Deck the Halls, the day is fast approaching!

We are delighted to confirm this year's Christmas Fair will take place on **Friday 20 November 2026.** The school hall and surrounding corridors will once again be transformed into a festive wonderland, filled with colour, sparkle, and plenty of Christmas cheer.

- **Teddy Donations:** We are currently seeking donations of new or gently used soft toys and teddy bears for this popular stall at the Fair. If you have any cuddly friends looking for a new home, please email FOWO or you can drop them off at the school and we can store them until the fair. Thank you for your support!
- **Small plastic toy donations for prizes** - we all have those small unwanted/unused toys around the house, so why not donate them and give them a second life as a Christmas Fair prize! Just bag them up and leave by the uniform rail in reception

If you're able to help in any way, please email us at fowo@lumenlearningtrust.co.uk

- **Volunteers** — We will need plenty of hands on the day to run stalls, support Santa's grotto, and help keep everything running smoothly. Any time you can give will be gratefully received.
- **Raffle Prizes** — Donations for our festive raffle are always hugely appreciated. Prizes can include gift vouchers, experiences, products, or anything that would add a little magic to someone's Christmas. Every contribution helps.
