## Headteacher's Message

I am bursting with pride as I write this week's newsletter, as I so often am, having joined our Year 6 children in Bristol for part of their residential. They have represented themselves, their families and Walton Oak impeccably, embracing every experience with enthusiasm and maturity. They have been a real credit to our school and have received wonderful compliments from everyone they have met along the way.

> This is the most enthusiastic group of children we have had here – they are so curious and listen so well! *Nathan, Planetarium tour – We the Curious Museum*

> I couldn't believe how much knowledge the children had about rivers and tides and how keen they were to share this. It was a pleasure to run the tour. *Maurice, Bristol Community Ferry Boats*

> I just wanted to let you know how impressed I am with your children's behaviour. They were so polite when ordering their food – lovely manners! *Chef on the 'ribs' counter at Za Za Bazaar*

> What a beautifully behaved group of children. They listened so well. *Michelle and Alan, SS Great Britain*

The adults have genuinely enjoyed their time away with the children and I can honestly say it was a pleasure to experience the sights and sounds of the Bristol city break with them all. Many of the adventures have been shared on our new Instagram page, so do take a look. Photo's with their smiling faces will also be put up in school at some point. Thank you to the staff who left their own families to lead the trip so brilliantly and with such infectious positivity – Miss Jambert, Mrs. Brace, Mr Roche, Mrs. Nash, Mrs. Sexstone, Miss Moorhouse and Miss Johnson. We are so lucky to have such a willing team.

Whether in Walton-on-Thames or in the museum in Bristol, children respectfully observed the two-minute silence and reflected on the service and sacrifices of our armed forces, both historically and today. I am sure you have also seen the wonderful poppy tributes created by classes around the school.

Today also showed how Walton Oak comes together to support important causes. Thank you to Miss Stanbrook for organising our Pyjama Day for Children in Need, including a Pudsey Fun Run around the field to warm everyone up! The children ran, walked, hopped, skipped, jumped and twirled their way around the track. We will share more, including the amount raised, in next week's Wire.

Next week is Anti-Bullying Week, with this year's theme, **'Break the Silence'**. Children will explore how to recognise unkind behaviour, the importance of speaking up and identifying trusted adults they can turn to for support. A programme of assemblies, workshops and activities will be tailored to children's ages and understanding. Parents and carers are invited to visit classrooms from 3pm on Friday 20th November (read more below) to see the children's learning. I encourage you to talk with your children throughout the week about what they have been learning. We will share key messages in next week's Wire.

## General Information

### Photographer – Monday 16th November

The photographer will be in school on Monday 16th November to take individual photos and sibling photos (if booked). Please ensure your child comes to school in full uniform.

### Choir is Back!

We are delighted to announce that our school choir is starting up again!

Choir is open to Key Stage 2 children only and will take place every Tuesday morning from 8:00–8:30am in the school hall, led by Mrs Butler.

It's a fantastic opportunity to enjoy singing together, learn new songs and have lots of fun! We look forward to welcoming back familiar faces and any new KS2 members who would like to join.

We can't wait to hear our school singing again.
If your child is interested in joining, please complete our **Choir Sign-Up Form** using the link below.
https://forms.gle/xF7VZnYDihk6uqvH9

### Bagels are Back too!

Great news – bagels are back! We are delighted that Walton Charities have agreed to fund our bagel offer for the rest of this academic year, with our bagel station returning to the middle gates from Friday 20th November.

Our aim is simple: to help ensure every child starts the school day with something in their tummy. A plain piece of bagel will be available every morning for any child who would like one no questions asked!

Whether it's topping up breakfast at home, rescuing a rushed morning or providing a little something when breakfast hasn't happened, children are welcome to grab a bagel and go. They can even take it into class to finish.

To manage allergies and avoid waste, bagels will be plain, with no spreads or fillings. We'll keep an eye on numbers to help with ordering. So, spread the word (instead of the bagels!) and we look forward to welcoming our bagel station back!

### Christmas Performances

## Anti-Bullying Week Reminder – 16th–20th November

A reminder that Anti-Bullying Week is coming up, with this year's theme being Break the Silence!

We will be kicking off the week with Odd Socks Day on Monday 16th November, so children are encouraged to wear odd socks to celebrate our differences and what makes us unique!

Throughout the week, children will take part in a range of activities, including special assemblies, interactive workshops, discussions about speaking up and creating their own Break the Silence Walls.

**Parents and carers are warmly invited into classrooms on Friday 20th November at 3:00pm** to see the children's wonderful work and celebrate what they have learnt.

We look forward to a fantastic week promoting kindness, inclusion and the importance of speaking up!

## Instagram

As detailed in the letter shared earlier this week, we are now live on Instagram. Please do follow our account (@waltonoakprimaryschool) for useful reminders and a peek into the wonderful world of Walton Oak!

## NEW - Shake, Rattle and Rhyme

Do you have a little one aged 1–3 years? Bring them along for a joyful, music-filled adventure at our Shake, Rattle & Rhyme sessions! Together we'll sing, move, and explore fun instruments, perfect for sparking curiosity and conversation. We're running our next session on:
**Thursday 10th December 10.00am-10.45am**
Do you know other families with toddlers? Invite your friends and make it a playful outing together, we'd love to see you there for plenty of smiles, music and fun! Mrs. Bailey and Mrs. Herron-Duke look forward to welcoming you for an exciting musical session.

## Reminder of School Meal Orders

Please ensure you order your child their meals for next week on the School Grid website. If you do not order a meal, your child will only be given a plain jacket potato and if they do not want that offer, you may be called to provide a packed lunch from home. Also, if your child is absent or you provide them with a packed lunch, please ensure you cancel their meal by 8.55am. If you do not cancel and your child is entitled to a free school meal, the school will get charged for this meal.

### A Little Reminder About Illness

We have certainly had our fair share of coughs, colds and flu-like bugs doing the rounds this week. We are continuing to encourage good handwashing and respiratory hygiene (catch it, bin it, kill it), alongside keeping classrooms warm but well ventilated. Please refer to our guidelines at the end of this newsletter to support with making decisions about when your child can come to school (with a little extra TLC) and when they need to stay at home. https://www.waltonoakprimary.co.uk/attachments/download.asp?file=705&type=pdf

## Transition

### Reception Intake 2027 - Head/Deputy headteacher group tours

We are running several Head/Deputy headteacher group tours. Please do come along to see the school in action and find out more about provision for children at Walton Oak. Please email the school office for a place.

### Walton Oak Nursery – places available for 2026 and beyond!

We are incredibly proud of the Nursery provision at Walton oak, rated as Good as part of our most recent school Ofsted. Although the Nursery remains very popular, we still have a few 15 and 30 hour places for 2026-2027 available and we welcome applications for our waiting list. Unlike many private nurseries, there are no registration fees and children can be registered from birth. If you have younger children not yet registered we would encourage you to complete the application form found here. Please do share this link with any friends and family that may want to join the Walton Oak Community. Further information can be found on our website.

## Reading

### Enjoy Reading at Home

This week, why not have a go at some of our fun reading challenges at home? Whether it's discovering a new book, sharing a bedtime story or creating a cosy reading den, there are lots of simple ways to enjoy reading together. Take a look at our poster and see how many challenges your family can complete. Happy reading!

## Oracy

### Oracy Champion of the Week

This week, we are pleased to announce our Oracy Champions of the week. A huge well done to all our champions who have been confident using their oracy skills during their learning this week!

### Take Home Focus – Let's Talk!

TAKEHOME
2nd – 8th November

Is the journey more important than the destination?

In the news this week

British adventurer Karl Bushby has returned to the UK, after spending almost 28 years travelling around the world on an incredible journey home. Since leaving Chile in 1998, he has travelled through jungles, deserts and icy landscapes, even swimming across seas to continue his adventure. Karl's journey has been filled with amazing experiences, challenges and achievements.

Things to talk about at home ...

- Karl spent almost 28 years travelling. Why might he have chosen to take on such an enormous challenge?
- What do you imagine Karl may have learned about himself during his journey?
- Can you think of a time when you enjoyed working towards something more than actually achieving it?

Please note any interesting thoughts or comments

## Tiny Happy People

### Bugs

Bugs cause coughs, colds, and runny noses, and a few days later… sick parents. If you're living in lurgy-land since your kids restarted school or nursery, you're not alone. But why do little people pick up so many illnesses at this time of year, and what can we do about it? The latest episode of Parenting Download features guest GP, Dr Nighat Arif, and Traitors star Leanne Quigley, who talk about back-to-school bugs, health anxiety and what we can do to help children, and grown-ups, stay healthy and safe:

## Enrichment Activities

### Year 6 Step Back in Time at Forest School!

On Monday, Year 6 enjoyed their first Forest School session of the academic year. Linking with their current topic of World War II, the children took part in four exciting, hands-on activities that helped bring their classroom learning to life. The activities included:

- **Soldier Bread Dough:** Using just a few simple ingredients, the children prepared their own wartime-inspired soldier bread, ready to cook over the open fire later in the day.
- **Mudimagination:** Things got wonderfully messy as the children used mud and their imaginations to create their very own World War II fighter planes!
- **Make, Mend and Do:** Inspired by the resourcefulness of children during wartime, everyone gathered natural materials to whittle and make simple toys, including dolls and planes, just as children would have done when resources were scarce.
- **Air-Raid Shelters:** Working together, the children used natural materials and tarpaulins to construct their own shelters, imagining what it might have been like to take cover during an air raid.

The excitement continued into the afternoon as each group gathered around the fire to cook their homemade soldier bread. The children were then able to sample their creations and they were clearly a hit! We heard lots of enthusiastic comments about making the bread again at home!
It was a wonderful day filled with creativity, teamwork, imagination and a little bit of mud! Most importantly, the children had a great opportunity to make meaningful connections with their learning in a truly memorable way.

### Year 2 Kew Gardens Trip

To kick start our Science topic on plants. Year 2 took a trip to Kew Gardens to learn about lots of different plants, as well as what plants need to grow. The children used lots of scientific tools such as a microscope and magnifying glass to look closely at the exotic plants. We also took a treetop walk which the children really enjoyed! Well done Year 2!

## Pastoral News

### Proprioceptive Input explained

Proprioceptive input is the body's way of understanding where it is and how it moves, using information from the muscles, joints and tendons. It plays an important role in children's body awareness, balance, emotional regulation and everyday activities.

Purposeful movements such as carrying, climbing, pushing and pulling can help support these skills and promote a sense of calm and regulation.

If you've ever watched your child launch themselves into the sofa cushions for the tenth time, ask for yet another bear hug or stomp through every puddle in sight, you've probably seen proprioceptive input in action!

Understanding what it is and why children seek it can help us look at their behaviour differently – replacing frustration with curiosity and giving us practical ways to support their needs.

## Job opportunities across Lumen Learning Trust and its schools

Saxon Primary School is recruiting - We are looking to recruit a Teaching Assistant with a passion for creating lifelong learners, committed to inclusion who has a high expectation of themselves and every child. Working Hours: Monday to Friday, term time only (38 weeks per year) 31.25 hours per week, 8.30am to 3.15pm. For more information please click on the link on page 1.

## House Competitions

### First House Captain Meeting

Our newly elected House Captains attended their first official meeting with Mrs. Bourne this week. They were filled with enthusiasm and exciting ideas regarding possible house competitions we can run across the year. Next week, they will be coming back together to make the final plans for the very first competition which they are excited to share with you all - watch this space!

## FOWO

Christmas Fair 2026 – Friday 20th November - 3.30pm - 6pm Sponsored by Seymours

### Your PTA needs you! Volunteers needed for the Christmas Fair

To make this year's Christmas Fair a huge success, we're calling on our wonderful school community for support! Events like these can only happen thanks to volunteers, and we need around 60-70 people to help with setting up, running stalls, and clearing away. Children are very welcome to help alongside you. If they do, we'll do our best to place you on one of our games stalls, where they can get involved and enjoy the fun too!
If you can spare just 30-60 minutes on the day, it would make a real difference and be greatly appreciated.

- **1:30pm - 3:15pm | Set-up** Help prepare for the fair by putting out tables, setting up the tombola, and getting the games and activity stalls ready.
- **3:30pm - 6:00pm | Stall helpers** Could you spare 30 minutes to help run one of our stalls during the fair?
- **6:00pm - 7:00pm | Clear-up** Help us pack away stalls, dismantle the grotto, tidy up, and leave everything ready for the school.

Every bit of help counts, and together we can make this year's Christmas Fair a fantastic event for all our children and families. Thank you for your support! Please email sign up using the following volunteer form (or QR Code on the FOWO Board at school) if you can help. If you have any questions, please email fowo@lumenlearningtrust.co.uk.

**We also need your help with donations of the following:**

- **Cuddly Toy Donations**: We are currently seeking donations of **new or gently used soft toys and teddy bears** for this popular stall at the Fair. If you have any cuddly friends looking for a new home, please email FOWO or you can drop them off next to the Uniform Rail in Reception.
- **Small plastic toy donations for prizes** - we all have those small unwanted/unused small plastic toys around the house, including fidgets, keyrings, mini games etc, so why not donate them and give them a second life as a Christmas Fair prize! Just bag them up and leave by the Uniform Rail in Reception

**Tickets are on sale for the following items prior to the Fair:**

- **Raffle Tickets** - Get your raffle tickets now for your chance to win 1, if not more, of our fantastic prizes. From restaurant vouchers, to art classes and local experiences, there is something for everyone! The full list of prizes can be found on Classlist, where tickets can also be purchased - https://tinyurl.com/WOFairRaffleTickets
- **Christmas Craft Room bookings** - We are running a Christmas Craft Room at the Fair this year. Come and fill a bauble for the tree and make some reindeer food ready to leave out on Christmas Eve. Each session lasts 30min for both activities, and you can arrive anytime within the booked hour slot. Please can parents/carers accompany all Early Years and KS1 children. Tickets can be booked on Classlist - https://tinyurl.com/WOFairCraftRoom
- **Santa's Grotto Tickets** - Tickets are now on sale for a visit to see Father Christmas in his Grotto at the fair. Choose a 15 minute slot and children will go into the grotto in groups (with parents!), where they will receive a small gift and get to meet Father Christmas. For any children who would prefer a smaller group, there are slots available after 5.30pm. Friends, family and younger siblings are also welcome to join, please book each child a ticket on Classlist - https://tinyurl.com/WOFairGrottoTickets

Thank you, as always, for your generosity and enthusiasm. Without the school community's support, putting on the Christmas Fair would not be possible. If you have any questions, please grab a member of FOWO when you see us at school, or email us at fowo@lumenlearningtrust.co.uk

### Non Uniform for Tombola Donations

All students are encouraged to come to school in non uniform on **20 November (18 November for Nursery**), in exchange for donations of Tombola prizes for the Christmas Fair

- Children in KS1 - **unopened and in date sweets, and chocolates**, including boxes of chocolates, biscuits and sweets
- Children in KS2 - bring a bottle to school! Examples include **unopened and in date bottles** including - pop, wine food and even toiletries!!

## Celebrations

### Achievements outside of School

Congratulations to Ruben & Felipe Yr6 who attended the Surrey County Judo Competition. Both the boys did very well, Felipe taking third place with bronze medal and Ruben taking first place with gold medal in the U38kg category. In attendance was also the current 2026 Commonwealth Champion Gold Medallist Judoka in category <57kg Acelya Toprak which was super inspiring for the children. Well done Ruben & Felipe we are very proud of you!

What's 'Too sick' for school?
We know children get sick and parents often ask 'what is too sick for school?' Here are a few guidelines to help you make a decision as often children can still come to school even if they are feeling a little under the weather.
Be assured, your child's welfare is our priority and if we think your child is too unwell for school we will call for you to collect them.
Send me to school if
I have a runny nose or just a little cough
My throat's a little sore but I'm managing with some medicine to help me
My temperature is normal
I haven't been sick or had any diarrhoea in the last 48 hours
Keep me at home if
I have a high temperature that can't be reduced by taking medicine
I'm being sick or have diarrhoea or I have done in the last 48 hours
How can I help my child's attendance?
We understand that illness might not be the only reason for a child's absence. There are ways parents and school can work together to make sure your child can have good attendance - just come and speak to us!
Bring your child to school every day
Contact school on the first day your child is ill
Collect your child on time
Make medical appointments out of school hours
Take holidays during the school holidays
Contact a member of staff such as our HSLW if you are having problems getting your child to school

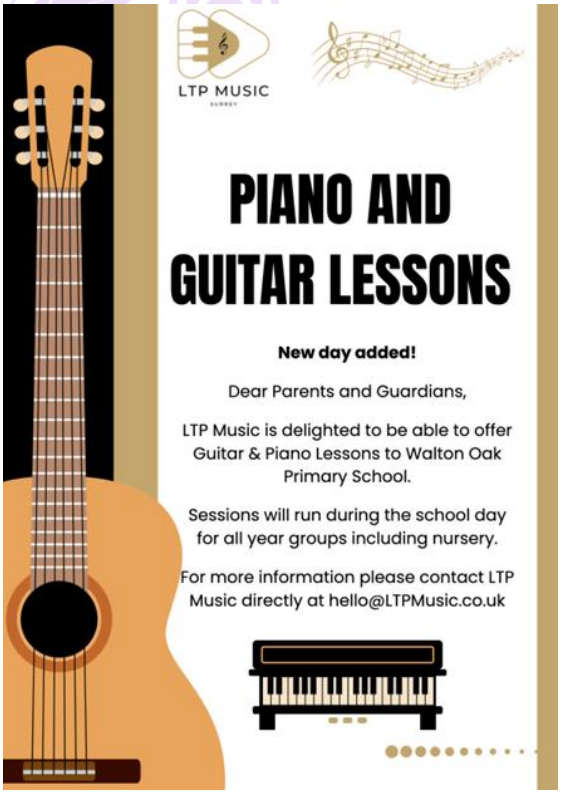

Does my child need to be absent from school?
It can be difficult to know if a particular illness means your child has to be absent from school. Below we list the most common illnesses your child may have and what to do using advice from the Public Health Agency.
Sometimes your child may have a sore throat or slight temperature that is easily solved by taking some Calpol. Our school office is able to give your child Calpol during the school day to enable them to attend school. We do however, ask parents to supply Calpol if their child requires it. The school office have a supply for ad hoc emergency use only.
Illness
MUST my child be kept off school?
How long for?
Chickenpox YES! Until new spots stop appearing and they have all crusted over
Hand, foot & mouth NO! Your child can come to school even if not all blisters have healed
Impetigo YES! Until lesions are crusted & healed or 48 hours after starting antibiotics
Ringworm NO! Anti-fungal cream treatment can take place outside of school hours
Slapped Cheek NO! No longer infectious by the time the rash appears so can come to school if feeling well
Diarrhoea and/or vomiting YES! 48 hours from the last episode of diarrhoea or vomiting
Influenza ('flu') YES! Until feeling better
Conjunctivitis NO! If your child's eyes are just sore and red but not weepy they can still come to school.
Head lice NO! Any live lice can be treated outside of school hours
Tonsillitis NO! Your child's glands can be swollen but still come to school if they otherwise feel well
