### **After-school Enrichment Clubs – Summer Term**

Dear Parents and Carers,

We are excited to let you know about the after-school enrichment clubs that we have on offer next term. Below, you will see a table that details the clubs on offer as well as the necessary information such as which day of the week the club is held on, who will be leading the club, which age group the club is for etc. All clubs will run from 3.20-4.20pm and will cost £30 per term (£3 per session, 10 sessions in total).

**Please note that children eligible for Pupil Premium funding are entitled to one free club per term.**

In the first instance, we would like you to share your preferences for the club(s) you would like your child to attend using this Google Form link (**due by Monday 21<sup>st</sup> March at 12pm**):

[https://docs.google.com/forms/d/e/1FAIpQLSd7BrFNji0wcGkYwzZ-1xy\\_KxaMtJ-a0Jt9f87C4rNA9Q8IHA/viewform?usp=sf\\_link](https://docs.google.com/forms/d/e/1FAIpQLSd7BrFNji0wcGkYwzZ-1xy_KxaMtJ-a0Jt9f87C4rNA9Q8IHA/viewform?usp=sf_link)

As a school, we will then do our best to ensure each child who would like to attend an after-school club is placed within one of their choices, though we cannot guarantee that they will be able to attend all of their choices. It is important that as many children as possible are given the opportunity to attend an after-school enrichment club and this is why we will use the preference requests to finalise which children will be placed into each club.

Details of our clubs for next term are detailed on the following page.

## Summer Term Clubs

Day	Club	Age Group	Provider/ Teacher	Description
Monday	Origami	Y2	Miss McEvilly	Our origami club is an ideal way to develop key skills that are essential for your child's learning and development, all whilst having a fun time cooperating and working with their peers. These include: hand eye co-ordination, sequencing skills, maths reasoning, spatial skills, memory, patience and attention skills, fine motor skills and mental concentration. Your child will love spending time creating masterpieces that they are proud of and that can be celebrated within the group.
	Lego Club	Y3 & 4	Miss Pontin	Come and join Lego Club! Each week, there will be a different theme or challenge for the children to build out of lego. For example, the task might be to build the scariest monster. Photos will be taken of the creations the children have made so that they will have a record of their achievements.
	Book Club	Y4, 5 & 6	Mrs. Murray	Our new and wonderful Book Club will be an opportunity to read new and exciting books. We will learn about new authors and get the chance to share your favourite book or author with other book lovers. We will spend time not only reading new and exciting books, but also discussing them too. Come along to enjoy the adventure and escapism that reading brings.
	Football	KS2	Miss Smith (LLT)	Football is always popular among boys and girls. Children will have fun learning new skills and playing lots of games.
	Judo	KS1	Elmbridge Judo Club	Judo is a great introduction to the world of martial arts. Translated from Japanese it means 'gentle way' but it is a tremendous and dynamic combat sport that demands both physical prowess and great mental discipline.
Tuesday	Cheerleading	Y4, 5 & 6	Heather Close	Heather returns to run her hugely successful cheerleading club. Children are encouraged to express themselves through positivity. They will learn routines and stunts in a safe environment.
	Football	KS1	Elite Sport	Football is always popular among boys and girls. Children will have fun learning new skills and playing lots of games.
Wednesday	Board Games	KS2	Miss Wright	Board games boast lots of benefits for children, both academically and socially. Board Games Club will encourage children's skills in communication, logic, problem solving, healthy competitiveness and acceptance of winning (and losing!) through a range of fun games with peers.
	Cheerleading	Y1, 2 & 3	Heather Close	Heather returns to run her hugely successful cheerleading club. Children are encouraged to express themselves through positivity. They will learn routines and stunts in a safe environment.
	Tag Rugby	Y5 & 6	Esher RC	Tag rugby is a fantastic introduction to the game of rugby union or rugby league. It's a fast-moving, non-contact invasion game suitable for boys and girls to play together. Coaches from Esher Rugby Club will teach children the very basics through fun based games and introduce the rules so they can play mini matches.
	Popstar Performers	Y1, 2 & 3	Popstar Performers	Pop Star Performers is a weekly club that focuses on fun and confidence building. Each week we play drama games, learn songs and dance routines and practise for our end of term 'show'.
Thursday	Athletics	KS1	Mrs. Tanner (LLT)	Multi sports is fantastic way of starting children out on their sporting journey. Children will develop their co-ordination and athleticism whilst improving their ball skills in a variety of different sports.
	Rounders	KS2	Mr. Amory	Rounders is a fantastic Summer club to attend where children will be able to develop key skills in throwing, catching, fielding and batting, whilst also playing competitively with friends.
	Judo	KS2	Elmbridge Judo Club	Judo is a great introduction to the world of martial arts. Translated from Japanese it means 'gentle way' but it is a tremendous and dynamic combat sport that demands both physical prowess and great mental discipline.
Friday	Construction	Reception	Mrs. Bailey	At Construction Club we are going to be designing and building around a variety of themes. Each week, the children will get to be creative, use their design skills and enjoy putting their ideas into practice using a variety of materials.
	Tag Rugby	Y2, 3 & 4	Esher RC	Tag rugby is a fantastic introduction to the game of rugby union or rugby league. Here are some important things to note about our clubs:

- We will be allocating places to ensure that as many children as possible can participate and will try and take into account the preferences. Please look carefully at the year groups that each club is available to.
- We expect the same excellent standards of behaviour from the children during the clubs as we do at school. This means that any child who does not meet these high expectations will be spoken to, as will the parents, and this may lead to the child being asked to leave the club.
- Please do not make any payments until you have been told which club(s) your child has a place in. You will also be able to pay using Childcare vouchers, please speak to the school office to check that the provider you use is registered with us. If you do not wish to take up a place that has been offered, you must let us know before the club starts or you will be expected to pay the full amount. There will be no "taster" sessions.
- Children should not bring a snack or drink to any of the clubs. They will use the water bottles that they bring to school to drink from.
- It is not possible to watch the clubs as it is distracting for the children. Please do not arrive to collect the children more than five minutes before the end of the club.
- On occasion, staff may have to cancel a club at short notice. We will always endeavour to reschedule the session at a later date either during school time or after school on the same day. However, if we cannot reschedule the session a credit for that week will be transferred to a club of your choice the following term.

A reminder that the deadline for completing the expression of interest via the Google Form will be **Monday 21st March at 12pm.**

The office plans to contact the parents of those who have expressed their interest in one or more of the after-school clubs to inform them of the club(s) that their child has been placed in during the week commencing 28<sup>th</sup> March. It will be at this point that the booking will need to take place via Scopay.

Yours sincerely,

**Mrs. Mary Ellen McCarthy**
