Dear Parent/Carer

25<sup>th</sup> April 2022

**Nursery – Incredible Eggs**

To support our current topic of 'Growth', we have arranged for Incredible Eggs to deliver us 5 duck eggs ready to hatch before the end of half term. The children will be able to watch as the ducks hatch out of their eggs and then as they grow over a 2 week period. This is a great opportunity for us to provide the children with a hands on experience of the lifecycle of a duck and also to help them to develop an understanding of caring for living things.

The eggs will be delivered to school on Tuesday 17<sup>th</sup> May and the ducks will stay with us until the end of the half term. During the second week, the children will have the opportunity to handle the ducks.

The cost of the trip is £5.40 per child, payment is via Scopay and is live now. If your child is entitled to Pupil Premium, please send an email to the office **waltonoak.office@lumenlearningtrust.co.uk** for the attention of Sara Phillips. Please kindly note that if there are not sufficient contributions the activity will not go ahead.

If your child has any known allergies or likely allergic reactions, please make certain that you inform our staff well in advance of the day of delivery of the eggs.

We all look forward to this exciting opportunity to have some special visitors visit the nursery. Thank you for your support.

Yours faithfully

Mrs Bailey  
EYFS Leader
