

Year 5 Summer 1

Space Exploration

ENGLISH

Curiosity by Markus Motum

- Discuss and explore meanings of words in context and use dictionaries (and thesauruses) to check meaning
- Make comparisons within and across books
- Select appropriate language and vocabulary to reflect their understanding of audience and purpose

RE

Hinduism – What helps Hindus worship?

HISTORY

Ancient Sumer

- Use dates to order and place events on a timeline
- Compare sources of information and their usefulness
- Make comparisons between aspects of periods of history and the present day
- Understand that the type of information available depends on the period of time studied

PSHE

Relationships

- Know how to solve friendship problems when they occur online
- Know how to help themselves and others when they feel upset or hurt

COMPUTING

Programming

- To control a simple circuit connected to a computer
- To write a program that includes count-controlled loops

MATHS

Measurement

- Convert between different units of metric measure
- Measure and calculate the perimeter of composite rectilinear shapes in centimetres and metres
- Calculate and compare the area of rectangles using standard units
- Estimate volume and capacity
- Use all four operations to solve problems involving measure e.g. length, mass, volume, money using decimal notation, including scaling

PE

Rounders and athletics

SCIENCE

Earth and Space

- Describe the movement of the Earth, and other planets, relative to the Sun in the solar system
- Describe the movement of the Moon relative to the Earth
- Describe the Sun, Earth and Moon as approximately spherical bodies
- Use the idea of the Earth's rotation to explain day and night and the apparent movement of the sun across the sky

ART

Mixed media

- Mix colours to express mood
- Use line, tone and shading
- Investigate the potential of new and unfamiliar materials and use these learnt techniques within his/her work

MUSIC

Dancing In The Street by Martha And The Vandellas

FRENCH

Les planètes (The planets)
